Pink Shirt Day

Last week, for International Pink Shirt Day, we were joined Ariana and Kiernyn, two students from Takapuna Grammar School. They worked with the children in Year 6.

"I think it was really good because they were teaching us different ways to stand up to bullies and that it's not okay to bully. It was fun and interesting," Izzy.

"It was really cool to see the video about the boy who was bullied for wearing a pink shirt and how the whole pink shirt day came to start. I've learned how you can say no to bullying and how stand up for yourself and others. You can tell an adult if someone is getting hurt," Jess.

"When Ariana and Kiernyn came to visit and talk to us about bullying I really enjoyed the song from Silvia Park school because it had a good message," Daniel T.

Learner-Led Conferences

Bookings are still open for the Learner-Led Conferences. These are a really important time for you and your family to chat to the teacher about your child's progress and achievement. The children spend time preparing what they are going to show you and share with you about what they have been learning so far this year. They also set goals about what they need to learn next. Children take a real pride in what they have been doing and are very disappointed if they do not get the chance to share this. If it is impossible for you to attend the Learner-Led Conferences, please contact your child's class teacher so that alternative arrangements can be made. Go to <https://www.schoolinterviews.co.nz> and enter the code: twsbx to book your slot or come into school to ask us at the office to assist you to make your booking. We look forward to seeing you!

Pyjama Day

School Council is running a Pyjama Day on 29th June. Please wear your pyjamas and bring a koha (donation) for Florence, our World Vision child. Adults, don't forget to wear your pyjamas too!

School Cross Country

Well done to all the children who participated in the school cross country yesterday.

Many thanks to all of the whānau who came along to support the children, thanks too to all of the parents who helped out so the children could train each week and the teachers and teacher aides for organising everything. Special thanks to Amy, our Health and PE co-ordinator. Certificates for cross country will be awarded in assembly on Friday.

Road Safety on Bayswater Avenue

As a ferry user who often cycles to and from school along Bayswater Avenue, I know from my own experience that there are real concerns about the safety of cycling along Bayswater Avenue. I often resort to travelling along the pavement for fear of being knocked off by speeding motorists. It appears I am not alone. Below is a message from Steve McLuckie, one of our parents.

The safety of people, particularly children, along Bayswater Avenue was a concern that emerged from the recent Bayswater and Belmont Community Wellbeing Survey. There's an opportunity for the local community to push for positive change through the Lake Road Improvements Consultation. Walking and Cycling Improvements along Bayswater Avenue are being considered as part of that process. Auckland Transport Staff will be coming along to listen to concerns and there'll be discussion on what else we can do.

Please come along and have your say. How can we make it a safer place for everyone?

This will be a child friendly event. The Bayswater School Travelwise team are putting together a display board and video that will voice their experiences of the Avenue. Bayswater School Hall, 181 Bayswater Avenue on Wednesday 14th of June at 6.30pm. Please rsvp to stephen@ancad.org.nz
