## Kia Ora te Whānau!

### Three things that made me proud of the children this week...

#### Mini Ball Triumph... again!

Unfortunatley, none of the staff were able to attend the miniball final this season as we were all at the learner-led conferences but Melissa (Bailey's Mum) sent us this report:

"They played amazingly! It was so exciting. The game was tight most of the way and the opposition was up by four points with four minutes to go. Then the kids got really determined, played great defence and hustled hard and ended up winning by eight! A fantastic result considering that for five of our eight players this was their first season playing basketball. So proud!"

Pictured are, left to right: back row -

Lily Pinero, Nico Moy, Troy Billot, Jahmaine Gaitau-Yelash, Kahu Crow and front row – Mya Heperi, Bailey Flavell and Luka Heperi.

#### Travelwise Team

Lots of people to thank...our Travelwise team; children who entered their ideas in the Bayswater Avenue competition; children in Whānau Kokoru (the senior syndicate) who have worked hard to gather and interpret data on the speeds of cars and our fabulous Travelwise Lead Teacher, Linda McPhail (who made it all happen).

The presentation in assembly on Friday was great and I know that your contribution to the community meeting last Wednesday evening was very well received. Well done to everyone who has been involved so far. If you didn't make the meeting and would like to see an example of what the children are suggesting, go to <https://www.youtube.com/watch?v=JU7No3y-LJ4>

Pictured here are (left to right) Leo King, Sam Bradley, Bailey Flavell, Zoe Evans, Ruby Shanahan, Kaia Schneebeil and Paegan Barlow (winners holding prizes and some of the Travelwise Team).

### Kapa Haka Group

Well done to our kapa haka group which visited Belmont and Bayswater Kindergarten last Friday. You certainly stepped up your performance! The young children and families at the kindergarten really seemed to enjoy it and I know your own families were proud of you all. The children would not have these kinds of opportunities without the support of our school whānau (a big thank you, Cara) and staff (thanks Sasha and Allison).

### Seasonal Share

Once again, Bridget Swan (Maihi's Mum) is organising a 'seasonal share'. For those of you new to Bayswater, this is an event where people can donate winter clothes, blankets etc which their own children have grown out of or no longer need and pick up something they do need instead. It is a bit like a car boot sale but without the sale – no money changes hands!

**This winter's share will take place in the library on Tuesday 4<sup>th</sup> July from 3pm to 4pm.**

Come along for a cuppa and a rummage! You never know what you will find!

Here's a message from Bridget:

In order to make this happen we are looking for clean, unmarked, good quality **winter** items such as...

- Children's, women's and men's clothing
- Shoes/gumboots, slippers (in good condition)
- Jerseys, jumpers, jackets, rain coats, jeans, trackies, dressing gowns...
- Spare blankets, duvet inners, flannelette sheets...
- Winter accessories...scarves, gloves, hats...
- Heaters in good working order

**Note: money is not involved, it is not a fundraiser. This is strictly a sharing event for Bayswater School families only, come along whether you have donated items or not.**

Please drop items into the school office where they will be collected daily. If anyone has a full length mirror we could borrow for the afternoon please let Bridget know. All leftover items will be donated to charity.

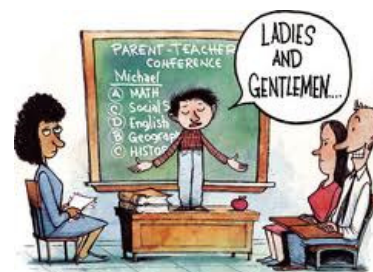

If anyone has a lemon/citrus tree that has an abundance of fruit please feel free to bring some so we can share them out.

It would be lovely to have some helping hands so if you would like to be involved please contact Bridget Swan on either mobile: 021-055-4261/home: 445-9027 or email: [bridgety.swan@gmail.com](mailto:bridgety.swan@gmail.com)

### Learner-Led Conferences

Thank you so much to all the parents and whānau who came along to school with their children last week. Four classes had 100% attendance at the conferences and overall 93% of children came along with at least one parent. If you have not yet made a time for your child to share his/her learning with you, then please contact the teacher as soon as possible. This is a really important time for you to find out about what your child has been learning and what their goals are for the rest of the year. Teachers place a high value on the conferences and, if you find it difficult to get into school because of other commitments, they will be very flexible when organising a time to meet.

You can email the class teacher on [teacher'sname@bayswaterschool.nz](mailto:teacher'sname@bayswaterschool.nz) or contact me on [lindsay@bayswater.school.nz](mailto:lindsay@bayswater.school.nz) or call the office on 445-6226. We are happy to help.

Kiaora everyone.

I'd like to say a huge thanks to everyone who supported Mother's Month and especially to Ines (Yoga Teacher), Megan (Pilates Teacher), Jenna (Hip Hop Teacher) and Aru Waihirere.

We raised \$1,000.00 that will go towards the Y5/6 camp next year, but as well as that friendships were made, Mother's tried new things, lots of networking took place and therefore local businesses supported. What a wealthy community!

If any Dad's are interested in running a Father's Month I'd be happy to help you, get in touch via email
