The hāngi is this Friday! *BYO paper/plastic/tin plates including Bayswater children!*

Thank you very much for all the food and donations that are coming in. Every family is asked to contribute and everyone is invited. At the moment it looks like we need more whole chickens or chicken pieces and more potatoes and kumara.

- Friday helpers** - open up pit and unload the food - from about 12.30pm.

Happy Eid-ul-Fitr

I would like to take this opportunity to wish all of our Muslim families a very happy Eid.

May every blossom in the garden of life bring your Eid with joy and fill your days with the sweet fragrance of happiness. Happy Eid Day!

Peninsula Cross Country Competition

A large team of our children went to represent the school at the Peninsula Cross Country Competition last Wednesday. Thank you to Amy McDowell-Pakieto for organising the team and to all the parents and whānau who went along to help out and to support. Everybody competing completed the race (a tough course) and three of our children were placed. Well done to Nicholas Johnson, Lily Pinero and Daniel Kilkolly.

Seasonal Share

Once again, Bridget Swan (Maihi's Mum) is organising a 'seasonal share'. For those of you new to Bayswater, this is an event where people can donate winter clothes, blankets etc which their own children have grown out of or no longer need and pick up something they do need instead. It is a bit like a car boot sale but without the sale – no money changes hands!

This winter's share will take place in the library on Tuesday 4th July from 3pm to 4pm. Come along for a cuppa and a rummage! You never know what you will find!

Here's a message from Bridget:

In order to make this happen we are looking for clean, unmarked, good quality **winter** items such as...

- Children's, women's and men's clothing
- Shoes/gumboots, slippers (in good condition)
- Jerseys, jumpers, jackets, rain coats, jeans, trackies, dressing gowns...
- Spare blankets, duvet inner, flannelette sheets...
- Winter accessories...scarves, gloves, hats...
- Heaters in good working order

Note: money is not involved, it is not a fundraiser. This is strictly a sharing event for Bayswater School families only, come along whether you have donated items or not.

Please drop items into the school office where they will be collected daily. If anyone has a full length mirror we could borrow for the afternoon please let Bridget know. All leftover items will be donated to charity.

If anyone has a lemon/citrus tree that has an abundance of fruit please feel free to bring some so we can share them out.

It would be lovely to have some helping hands so if you would like to be involved please contact Bridget Swan on either mobile: 021-055-4261/home: 445-9027 or email: bridgey.swan@gmail.com

Recycle your Old Mobile Phone

Send your old mobile phones along to school, so they can be recycled. A box is in the main foyer to collect the phones.

Scheme recycling agent Swapkit New Zealand collects and sorts the phones into those which can be re-used and those which are end-of-life. Reusable phones are sold by tender overseas while end-of-life phones are deconstructed, commoditised and their components used to create other products.

"Sustainable Coastlines is proud to partner with this fantastic scheme which provides critical funding for the delivery of the Love Your Water programme. Together through this new partnership we will reduce waste sent to landfills, save valuable materials and energy, and help to look after New Zealand's waterways, says Sustainable Coastlines Co-Founder and CEO, Sam Judd.
