hākari

(feast)

Kia Ora te Whānau!

On Wednesday of last week, a group of ten children visited Takapuna Grammar School where the Tu Tangata students organised a day of celebration for Matariki – with feasting and games!

Games included tītī tōrea (small rākau or sticks) and pūkana!

The hākari (feast)
prepared by our
hosts!

Three of our treasures were awarded Matariki whetū awards for their participation during the day:
Maraea Mita, Luka Taege-Stacey and Daniel Tepu. Well done!

The whole group, along with students from the Tu Tangata class at Takapuna Grammar School and other visitors from Belmont Primary School.

Our Matariki Hāngi

On Friday of last week, we had our second Matariki hāngi. This event would not be possible without the hard work of so many people. Thanks to those with knowledge for sharing it and thanks to those who wanted to learn more. Thank you to everyone who contributed to making this event so successful. Thanks to Marianne for co-ordinating everything at school.

Preparing the pit...

Preparing the food...

The fire...

Putting in the food and covering the hāngi...

Bringing the food up....

Serving the food...

Enjoying the food...

Celebrating afterwards....

Thank you to everyone for making it such a great day!

Term 3 - Kids Yoga at Bayswater School

Many thanks to Purnima for offering to run children's yoga classes with all proceeds being donated towards the senior children's camp fund.

*Kids are born Yogis! They have pure hearts, immense joy and bundles of energy. Yoga teaches children to harness these traits and to connect with their breath, express themselves and gain confidence. Kids Yoga classes start at Bayswater School on Monday 31st July 2017 at 3:25pm. Classes last 45 minutes and will take place every Monday for five weeks, in Room 4B. Advance payment for five weeks is \$50 - only **10 spaces!** **All money is going towards the School Camp fund.** Contact Purnima on 02102000016 or Janelle on 021 625454. If your child needs a yoga mat please mention when booking. Namaste 🙏*

Holidays and Next Term

I would like to take this opportunity to wish you all a restful holiday. You may be aware of talk in the local community that there was an incident last week where a child from another school was approached by a person in a van on the way home from school. This is a perfect opportunity for you to reinforce the messages we have been giving at school about keeping ourselves safe.

Further to our efforts to ensure the safety of all our children, from next term those travelling to school on wheels (skateboards, scooters etc) will be required to wear a helmet. Please ensure your child has a correctly fitting helmet before they travel to school in this way.

Farewell to Staff Members

Everyone is most welcome to join us for assembly on Friday morning. The children will be farewelling and wishing good luck to our two teachers who are going on parental leave (Norah and Lisa) and our Teacher Aide who is off on his OE (Patrick).

Homestay Accommodation Wanted Urgently

We currently have two international families looking for homestay accommodation.

The first is a mother, Hongli and son Hida (8 years). They require accommodation for approximately four weeks from Sunday 23rd July until Friday the 18th August. Hida is allergic to cats and dogs so a home without animals would be preferable.

The second family consists of a Mother, daughter (3 years old) and son Jae Hyun Lee (8 years old). They are willing to share one room if necessary and are looking to experience Kiwi culture.

If you are able to help with either of these accommodation requests please email Fiona at admin@bayswater.school.nz

Happy Birthday to...

Luka Taege Stacey (9) and Geo Innes-Mills (10)

We hope you both have loads of fun celebrating your birthday with family and friends. Also, Happy Birthday to all of our students having birthdays during the term break.

Recycle your Old Mobile Phone

Send your old mobile phones along to school, so they can be recycled. A box is in the main foyer to collect the phones.

Scheme recycling agent Swapkit New Zealand collects and sorts the phones into those which can be re-used and those which are end-of-life. Reusable phones are sold by tender overseas while end-of-life phones are deconstructed, commoditised and their components used to create other products.

"Sustainable Coastlines is proud to partner with this fantastic scheme which provides critical funding for the delivery of the Love Your Water programme. Together through this new partnership we will reduce waste sent to landfills, save valuable materials and energy, and help to look after New Zealand's waterways, says Sustainable Coastlines Co-Founder and CEO, Sam Judd.
