## Kia Ora te Whānau!

### Kawanga Whare

Thank you to everyone who attended our Kawanga Whare last week. We were delighted by the turn out (estimated to be well over 80 people) especially considering the early hour and the terrible weather! It was particularly lovely to welcome back so many former students. Thank you to Danny Watson for officiating and to Mike Cohen (of Devonport Takapuna local Board) for attending. Thanks to Whaea Isabelle (our Te Reo Tuatahi teacher) for all of her advice.

On a personal note, I would like to acknowledge the wonderful staff at this school. Your support, help and willingness to 'muck in' without even being asked is hugely appreciated.

Later in the day, all the children paid a visit to our new buildings, which are suprisingly huge! We look forward to obtaining final sign offs from council so that we can start moving in!

As part of the new building project, we will have a new path laid from the front of the school which will run from the road, along the boundary behind the dental clinic and into the bike sheds. From there, children will be able to walk along the path which leads to the new block. This will finally mean that children no longer need to walk through the school carpark to drop off and collect their bikes and scooters.

Additionally, we have some funding to help replace the old junior playground. This will be put together with a substantial private donation to upgrade the playground at the front of the school. The children have already started to think about and discuss what they would like to see happening. Watch this space!

## Happy Birthday to...

**Dylan Anderson (8), Daniel Wilson (6), Dominik Schmidhalter Ward (11)**  
and **Indiana Fitch (7)** who are all having birthdays this week

We hope you all have loads of fun celebrating your special day with family and friends.

We are a Paper 4 trees school. We use paper on both sides.  
GOOS paper is paper that is good on one side. We reuse  
GOOS paper.

Paper that is used on both sides (and you don't want it any  
more) goes in the recycle bin. Bill empties the bin into big  
recycle bins.

We count how many big bins we have and this earns our  
school new plants.

This year we have earned 10 native grasses for the 'Ridge'.
