## Kia Ora te Whānau!

### Art from the Peninsula

It was a real pleasure at the weekend to go and visit the art show at the Lake House Arts Centre. A selection of our children's work, along with pieces from the other schools in the area, was on display. It was lovely to see the impressive work from Belmont Intermediate School and Takapuna Grammar School – to get an idea of what our children may be doing in a few years' time!

The exhibition is now over but there will be more opportunities for collaborative projects with the other schools through the Kahui Ako (Community of Learning) over the coming years.

### New Buildings Delayed Again

I have been keeping everything crossed but to no avail! The buildings are now finished as is obvious to anyone who walks through the grounds regularly. Unfortunately though, there has been a major delay with obtaining final sign-off from council. This is connected to a fire alarm upgrade which the school had as part of a Ministry of Education project in 2013! Apparently, an important piece of paperwork was never completed and this has only just come to light. Even more annoyingly, even though the Ministry rectified the oversight immediately, we have now gone to the back of the queue and it seems there is a large backlog of other buildings ahead of us.

As ever, the teachers of Whānau Kokoru, Linda and Amy, are resolute in their positivity and are using this issue as a great opportunity for the children to engage in purposeful writing... they are all busily crafting letters to urge the council to get a hurry up. When I have more news, I will be sure to let you know.

### Learner-Led Open Afternoon

This is this evening from 3 to 6pm. Pop in any time with your child to have a chat with the teacher and take a look at what your child has been learning this term. No appointment necessary.

OUTDOOR  
CLASSROOM  
DAY

### Outdoor Classroom Day

After the success of the last Outdoor Classroom Day, we are holding another on Thursday of this week. **As before, please send your child to school in old clothes, with a towel and a full change (including undies).**

### Road Safety

Each day before and after school, a team of children and adults goes out on road patrol to see everyone safely across Bayswater Avenue. It is really disconcerting when some children, accompanied by a parent or care giver, do not use the crossing but dash across from between parked cars just a little further up the road. We are trying to teach all of our children to be safe on the roads, in preparation for when they are old enough to be out and about without an adult.

It really helps us to get this message across if all the adults around school model this for the children. We would be very grateful if you would use the crossing too.

As mentioned in a previous newsletter, the new pathways are now complete so there is no reason for any child to be walking through the carpark. The children have all been shown where to go to park their bikes and scooters and how to walk from the front of the school to the back. Please support us to keep the children safe and refrain from taking your child through the carpark.

### Happy Birthday, Valda!

One of our regular relievers, Valda Tokona, or Mrs T as the children call her, had a significant birthday last weekend. It was lovely to be able to celebrate with her on Monday.
