## Kia Ora te Whānau!

### Noho Marae

Last week, I spent a fabulous three days at Papakura Marae with about 100 other principals from all over the country, as part of the Maori Achievement Collaborative. We heard from a stunning array of academics and local iwi and spent a day visiting important Waikato sites from the Land Wars. We finished up at Turangawaewae Marae where Waikato Tainui talked about their involvement in education.

### Duathlon

This year's duathlon is all ready to go on Sunday! If your child has not yet registered, there is still time. If you have trouble registering online, please pop into school and we will help you. You can also register on the day from 8.00am.

### Te Reo Whanau

Next week, we are starting a Te Reo Whanau programme, which will run until the end of the year. We will start at 3:10pm straight after school finishes for the day and go on for about three quarters of an hour. Whaea Isabel, our Te Reo teacher, will be running the courses. All family are very welcome to attend, whatever your current level of Te Reo. The idea is for us adults to learn Te Reo to use at home with our children. Come along and give it a go. A gold coin koha would be most welcome and we will provide some toys for any children you need to bring along.

### Road Safety Still a Problem!

We still having difficulties with families dashing across Bayswater Avenue at the end of the day instead of using the crossing. I know that as an adult it is very tempting but it makes teaching the children to use the crossing (and relying on them to do so when they are out and about by themselves) very difficult. If you collect your child from school and need to cross Bayswater Avenue, please use the crossing.

## Calender Art Creations

In between the Duathlon, fence mural creations and the usual Bayswater Learning Pathways the children are finalising their calender creations this week! BUT we have a very tight timeline for calendar art orders this year. Apologies for this but orders need to be in by this Friday, 3rd **November** so they can be delivered in early December. Order forms have been emailed home and your child will also bring a hard copy home today. Look out for it in your child's bag!

## Duathlon - Sunday 5th November

The Duathlon is THIS SUNDAY! We are all looking forward to a fantastic family day out. Let's hope the weather co-operates!

You can still **REGISTER** online for the duathlon right up until **Thursday 2nd November** (or on the day), unfortunately the cut off to receive a free t-shirt has now passed. Kids registering from now on however, will still receive a cool goodie bag and have a chance to win some awesome spot prizes!

Don't forget to sign up to Givealittle ([givealittle.co.nz/event/bayswaterduathlon2017](http://givealittle.co.nz/event/bayswaterduathlon2017)) so you can **FUNDRAISE** for our school to get a new playground and awnings for the classrooms. You can also use the cash fundraising form – get yours from the office if you don't already have one! There are lots of great prizes for fundraisers up for grabs!

**WE NEED YOU!** We are still looking for helpers to fill our rosters! If you are able to help out on the day, even if your children are not competing in the Duathlon, we would love your support! There are positions to fill throughout the weekend, so if you're able to pick up one or two spots (or more!) please see or phone Fiona and Irene in the office who will be happy to sign you up. **A HUGE THANK YOU** to everyone who has already provided things to sell at the Duathlon! We are still collecting **SPORTING GOODS** (to the office please), bottles of something for **BOTTLE-O**, Jars filled with whatever you please for **PICK A JAR** (to room 6) and items for the **ENVIROSTALL** (to room 9).

**THIS WEEK ....** you will receive an email calling all **BAKERS** to get into the kitchen and create some amazing treats to be sold at the duathlon, proceeds will go towards the year 5&6 camp fundraising along with a gourmet item for the **RAFFLE**. The final planning meeting will be held tonight (31 October) in the staffroom at 7.30pm.

Please note, children need to be able to ride a bike to take part in the duathlon, unfortunately, due to safety reasons we are not able to allow kids on scooters to compete. If children aren't able to ride a bike can take part in the jolly jog instead, which is super fun and you can win a prize for the best fancy-dress costume!
