Community Planting

On Thursday 28th June Whānau Wai and Whānau Kokuku participated in a community planting at O'Neil's Cemetery Reserve. This was organised by Anna Baine who works as the community park ranger for local parks on the North Shore. This activity supports our enviro school kaupapa and the guiding principle 'sustainable communities'. Thank you to all our whānau who supported this activity.

A few quotes from children include: "We learnt how to plant a tree!" "When we got to our spot, we had to leap over a stream!" "The mud was so mucky and sticky but I had so much fun!" "At the end EVERYONE was muddy!"

Altogether, 1,250 plants were planted – a fine effort by all concerned.
