Kia Kaha Te Reo Māori!

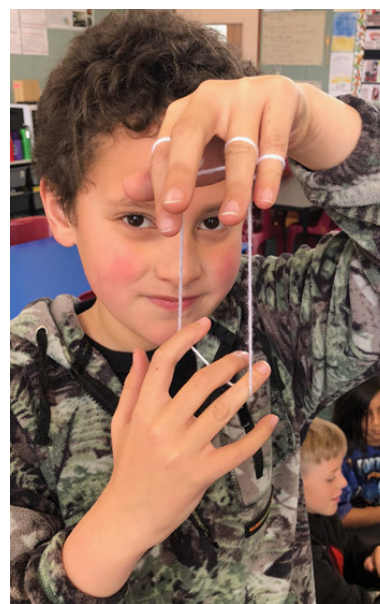

This week is Māori language week and we are doing our best to help Te Reo Māori stay strong! The photos show the children doing mahi whai (traditional Māori string games).

Pictured are: Whaea Tahlea (our Kaiawhina Reo), Willie-Ray, Leikyn, Brooklyn, Jayde and Jaden (all from Room 6).

Nit Alert!

Unfortunately, there are currently lots of nits in school. Please check your child's head regularly. Below are some links to websites which advocate various different treatments for lice: some natural and some chemical. You can now get a prescription from your doctor for the treatment of lice too.

We are not allowed to exclude children who have lice from school, all we can do is remind their parents and whānau to check and treat. We also educate the children about head lice. Children need to avoid head to head contact with other children and alert the adults at home as soon as they suspect they have lice. When treating your child using whichever method you prefer, it is advisable to treat the whole family, including parents and even grandparents if they have regular contact with the kids.

These are printed professionally and make lovely gifts for family and friends. Your child's art will be displayed in their classroom so that you can have a sneak peek before you order. While there is no pressure to buy any of the items, the school does receive a percentage of the profit. **Orders will be open until Friday 21st September.**

Library Craft

The children are currently making pom poms during Library Craft and it has proved so popular they're almost out of wool! If you have wool at home that you are able to donate for this project you would make some young crafters very happy!

Contributions can be left at the school office. All and every donation is very much appreciated.
