## Tomorrow's Schools Review: Consultation update

### Tomorrow's Schools – have your say

#### A message from the Taskforce:

The report by the Tomorrow's Schools Independent Taskforce Our Schooling Futures: Stronger Together \ Whiria Ngā Kura Tūātinini was released in December 2018. The Independent Taskforce is now very keen to receive feedback from as many people as possible to help complete their final recommendations.

Public consultation on the report is now open and we really encourage school staff, board members, PTA members, parents, whānau and the wider school community to have their say on the future of our schooling system....

□ The Taskforce is holding public consultation meetings around the country finishing on the 27th March. We really encourage everyone to come along to these events and find out more about the report and its proposals. The full schedule is now available on the website (venues will be added for events as they are confirmed) <https://conversation.education.govt.nz/tsr>

□ An online survey which canvasses opinion on each of our 32 recommendations is now available and will remain open until 31 March 2019 <https://consultation.education.govt.nz/tsr>

□ Postcards: for students, families and anyone that just wants to briefly 'have their say' on a recommendation or the full report. Postcards will be available at the public meetings.

□ An 0800 for Oral submissions is available. Call 0800 FOR TSR to leave your thoughts on the future of our schooling system.

□ Formal written submissions about our report can be sent to: [tomorrows.schools@education.govt.nz](mailto:tomorrows.schools@education.govt.nz)

Consultation closes 7 April 2019.

If you would like to read the document please visit: <https://conversation.education.govt.nz/conversations/tomorrows-schools-review/>

## Summer Sports at Bayswater

Over the last few weeks, children across the school have been having tennis coaching. Later this week, the children in Whānau Kokoru (senior school) will be trying out cricket.

Next week, on Tuesday 5<sup>th</sup> March, we are having our school swimming sports. The children in Whānau Puna (juniors) will be demonstrating what they have been learning in swimming lessons this term and the children in Whānau Wai (middles) and Kokoru (seniors) will have a mixture of competitive and non-competitive events to enter. Those keen swimmers amongst them, have the chance to go through to the Peninsula Swimming Sports on 19<sup>th</sup> March. The older children will be swimming in the morning and the juniors in the afternoon. Whānau are very welcome to attend.

The school sees swimming as an important aspect of the Health and PE curriculum and lessons will continue as long as the weather permits. Teachers will be upskilling with some onside coaching of their teaching next month. Alongside the school's swimming programme, Waterwise, which teaches water safety in the context of learning to sail, to children in Year 6 also started last week. Children have completed their capsizing tests and will begin the exciting task of learning to sail their own Opti tomorrow. They are truly following in the wake of Sir Peter Blake, who attended our school as a child and also learnt to sail down at Narrow Neck Beach.

Claire S Edwards is organising Waterwise this year and is always on the look-out for parents and whānau who would like to get involved. If you are free on Wednesdays and would like to help with transport or supervision, please contact Claire on [claires@bayswater.school.nz](mailto:claires@bayswater.school.nz) or by telephoning school (445-6226).

Te Hāu Kapa TKR

Our Kōhanga Reo, located on Bayswater School grounds, has limited vacancies for tamariki who are over two years of age.

There are vacancies right now and we would welcome you to call in and meet our Kaimahi and tamariki and look at what we can offer. Please phone Gail Kapa 09 4458 641 for any enquiries.
