Phrase of the Week:

Whakanuia Tōu Āhua Ake!

Celebrating being Us!

Kāhui Ako Conference

Last Friday, teachers and principals from across the Peninsula gathered for our Kāhui Ako (Community of learning) Conference.

The conference opened with a beautiful rendition of Bic Runga's song, 'Something Good'. Pictured are the participants from Bayswater School practising in the school library before the day and performing at the conference alongside children from other local schools. Children who attended were: Stella Bradley, Lucy Reddecliffe, Brooklyn Carew, Maraea Mita, Gabriella Kwok, Paegan Barlow and Edie Warman-Clough. Unfortunately, although they practised hard, Jess Mohns, Lucy Lumsden and Rebecca Rose were off sick on the day.

As well as keynote speakers, there was a variety of workshops and presentations available. It was wonderful to see so many teachers from our school presenting.

Many thanks to Claire Edwards, Dianne Cluett and Claire S Edwards, who presented on the Tuakana-Teina Writing programme which we are running in conjunction with Takapuna Grammar School.

Thanks also to Marianne Coldham, Amy McDowell-Pakieto, Allison Butcher and Megan Ebborn, who presented on organising mathematics lessons using a problem-solving approach.

Both workshops were well attended and well received.

Building Work at School

As everyone is aware, the front block is being refurbished at the moment. We apologise for the inconvenience this is inevitably causing. The building work entails opening up and refurbishing two of the small rooms on the south side of the corridor so that they can be used for group work. Windows are going to be added from the classrooms into the corridor, to brighten up the space and allow for a visual connection between the group work spaces and the classrooms. Half the sinks are being removed and space for doors between classrooms made to enable classes to work together when desired. All the carpets will be replaced, as will the wall linings, which will be changed to Autex. The new carpets and Autex will improve the acoustics of the classrooms, corridor and group work spaces.

The builders, who so far have been working very quickly and efficiently, are hoping to complete the first phase (Rooms 1 to 3 and associated corridor) during the next school holidays and the second phase (Rooms 4 to 6 and associated corridor) by the holidays after the third term.

Cross Country Running

Many thanks to all the parents and whānau who came along to the cross country running today. The juniors in Whānau Puna ran around the school field and the middles and seniors in Whānau Wai and Kokoru, completed the course starting at Bayswater Cemetery. Well done everyone! Photos to follow next week.

Large, Loose Parts Play

The week before last, we were delighted to welcome Ann Langis (of Bayswater School and Conscious Kids) to organise a day of 'large, loose parts' play. This is an idea we have been considering developing at school and thought it would be a wonderful opportunity to get the experts in to see how it is done. The children had a wonderful time and the opportunities for creativity, problem-solving, controlled risk-taking and conversation were fantastic.

Matariki Events

Ryoji Morishima pictured, making a star for Matariki and Paegan Barlow and Stella Bradley, pictured with the manu taratahi (kite) made by a group of seniors, also for Matariki.

Lots of events are planned for this year's celebration of Matariki.

Saturday 15th June from 3pm to 7pm is the **Matariki Festival**. This is being organised by the Parent Group and will include performances by children's and adult kapa haka groups, Māori and international food for sale, bar, market stalls, games, crafts, music, a bonfire and more!

Friday and Saturday 21st and 22nd June is our **Tree Planting**. This is a project to increase biodiversity by replacing the lost macrocarpa trees along the Roberts Avenue boundary with a new native species forest.

Tuesday 25th June is the **Bayswater School Matariki Hāngi**. This is a biennial event. More information will be coming home about what we will need to be donated and ways you can get involved before and on the day.

Tuesday 2nd July 7pm for 7:30pm start is **Korero Tuku Iho o Bayswater** with Dave Veart (local archaeologist, anthropologist and historian) and our very own Danny Watson. They will tell some pre-European tales of this area. Kōha entry.

More information about all these events will be sent home over the coming weeks. If you would like to volunteer to help, let school know and we will pass your details on to the organisers.

Community Notices

Join us in making a difference. Free Reformer Pilates Classes – 8th June

Join Studio Pilates Takapuna on 8th June as we open the doors to the community to help raise essential funds for children's cancer research.

Rally your friends, family and work buddies together for an inspiring reformer Pilates class as we all dedicate the day to these children and those who love them.

FREE PILATES CLASSES* – Saturday 8th June. Prizes + Special Offers + Treats

Orientation classes held between 9.30am and 2.30pm. Classes are 100% free, but donations to The Child Cancer Foundation are 100% welcomed and appreciated!

Be a champion for kids with cancer. Every donation counts as we join together and raise funds for children's cancer research.

Bookings can be made at - <https://clients.mindbodyonline.com/ASP/adm/home.asp?studioid=679398>

Donations can be made to the online donations page at <http://childcancerfundraising.org.nz/event/studiopilates2019>

Guitar Lessons

Guitar Lessons are available in Term Two 2019, at Bayswater Primary School, through Dave Gatman from Musiqhub. If you would like some more information about the Guitar Lessons, please contact Dave on 021 222 1456 or dave.gatman@musiqhub.co.nz.

Research Analyst Assistant

Technology Investment Network is looking to hire a Research Analyst Assistant to work part-time in our lovely Devonport office, hours can be flexible by agreement.

The role involves data lifecycle management including; data collection, entry, analysis, and reporting. Experience with big data sets and good communication skills are essential. Please contact Emily.furrell@tinetwork.com for more information

Measles in Auckland schools

Please vaccinate your child or young person if they have not had one measles (MMR) vaccine. It is free at your GP.

Students in a class with someone who has measles may be asked to stay home for one to two weeks, if they have had no MMR vaccinations.

Students with one or more MMR vaccinations can still attend school.

Measles info at: arphs.health.nz/measles

Check your child's immunisation records in their Well Child/Tamariki Ora book or ring your GP clinic.

Tell your GP or after hours clinic if you suspect measles before you arrive, so you don't infect others.

Symptoms: cough, runny nose, fever, sore red eyes, then a rash.
