## Principal's Sabbatical

This week is my last week at Bayswater for a year. From the end of this term, I will be heading off on a principal's sabbatical and refreshment leave. During Term 4 2020, I will be engaged in a short study which will involve me visiting other schools around Aotearoa New Zealand. The schools I will visit are those which have a record of achieving outstanding outcomes for students, including those from marginalised groups. I will be hoping to identify what those schools do which ensures equity and great outcomes for all. The gems I discover will be shared with other principals and will inform my practice when I return.

During Terms 1 to 3 2021, I will be on refreshment leave and will continue my trip around Aotearoa New Zealand. Although I have already visited much of this beautiful country, it will be wonderful to have the opportunity to do so, without the constraints of school holidays! I am very much looking forward, for example, to being in Waitangi on Waitangi Day, something I have always wanted to do but which has never been a possibility.

I will miss everyone at Bayswater – a year is a very long time – especially the Y6 children who will be gone by the time I return. The school will be in the very capable hands of DP, Marianne Coldham, who will be Acting Principal. Additionally, Dianne Cluett will spend part of each day released from class to support Marianne, as Acting DP.

I wish you all a fabulous fourth term – let's hope it is settled with some semblance of normality.

## Bayswater Studios

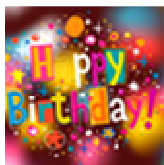

The children's learning this term was supposed to culminate in a performance in the hall, to which all whānau were to be invited. Unfortunately, this will not now be happening. Instead, the children have made a 'trailer' for their documentary which includes photos of the work they were doing in class to get ready for their performance. The children will be viewing the trailer this week and after they have seen it, it will be shared with whānau.

## Netball 2020

Thank you to all our netball players, coaches and managers. Due to the current situation, unfortunately the 2020 Netball season has come to an early end. A big thank you to the children who committed to playing netball for this season and were only able to play a few games. It was wonderful to see how committed you were at your training sessions.

Thank you to our coaches and managers: Year 5/6 team Iritana Kirk and Natasha Van Greunen, Year 4/5 team Natasha Wehrle and Siobhan Yurak, Year 2/3 team Claire S Edwards and Aylin Ataseven. We are looking forward to an enjoyable season in 2021.

Bayswater School has joined the ecoStore Plastic Return Programme! Waste is a really big problem in Aotearoa, New Zealand, and this programme will help us make a difference. At the start of Term 3 there will be an ecoStore returns box in the foyer to put empty ecoStore bottles. We look forward to supporting this initiative along with our other recycling programmes.
