Spellathon

It was great to see the progress made by all tamariki in their spelling knowledge. Learning the most commonly used words helps cement the connection between sounds and letters and can help with both reading and writing. The Spellathon helps make learning fun and is an opportunity to fundraise for items we otherwise couldn't have!

The grand total raised was: \$6,296.40.

Congratulations and thank you to everyone who gained sponsorship to raise money for our new hall projector. We were able to have it installed just in time for the Parent Group movie night and it was great! Everyone who raised some money and had it handed in on time went into the draw to win some spot prizes. There were also top fundraiser prizes, winning a scooter each:

Whānau Kokoru - Lily Hall (\$199)

Whānau Wai - Noah Faulkner (\$264)

Whānau Puna - Jaiden Barton (\$300) and Maria Greig (\$300)

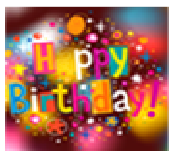

Cross Country

A huge congratulations to all our tamariki who participated in the Cross Country events today. There was some great competition in the competitive events and some close finishes. Tamaiki had to run a certain distance and up and down some slopes. In the non-competitive events tamaiki had to maintain movement for 20 minutes as they ran around and through obstacles.
