Te Kupu o te Wiki

This week's phrase: **Ko wai I toa? Ko tatou katoa!** (Who won? We all won!)

Kia Ora te Whānau!

Yummy Stickers Update!

We are delighted that the Yummy stickers collected over the past year by so many of you, mean that the school now has \$698 to spend on sports equipment. Thank you to everyone who is now in the habit of saving their stickers. We collect them all year round and simply send them all off together once a year. If you would like to join in with this simple way to raise funds for school, help yourself to a sheet (outside my office) and return each sheet to the same box when full.

A particular thank you goes to Amanda Hoskins (Cory and Troy Bilot's Mum) who organises this for us. Also to Mike Giles (Irene in the office's husband) who not only collects stickers for us but also arranges them very beautifully!

When we have spent the money, we will put a picture in the newsletter so that you can see what all your apple eating has achieved!

Ko Au te Wai, Ko Te Wai Ko Au (I am the water and the water is me)

It was fabulous to welcome Karen Mitchell from the Maritime Museum to assembly last Friday. She was most complimentary about Bayswater's entry in this nation-wide competition. She presented a certificate of first place to the children who put our entry together and a cheque for \$500 will follow shortly.

Our entry will soon be on the Maritime Museum's website. As well as the children involved (see last week's newsletter) a big thank you also goes to Marianne Coldham for working with them on their entry.

New Books for the Library

Thank you to all whānau who donated books to the school library at last term's Book Week Fair. The books have all arrived now and are ready for the children to read. Many thanks also to Paradox Books who were more than generous in making up some extras for our order. If you are looking for a good read, why not visit Paradox Books in Devonport? Don't forget to mention the school when you make your purchase! Thanks Andrea for the great photo.

Success for Jack!

Jack Denny had a very busy holiday attending the national gymnastics competition in Invercargill. He won a huge haul of medals, four golds and one silver, and is now the National Champion for Level 4 MAG Gymnastics.

Jack's older brother, Isaac (now in Y7 at BIS) won Level 7 under 14s.

At last week's Parent Group meeting, we were discussing talented local, Olympic bronze medal pole vaulter Eliza McCartney, who will be opening our Duathlon. I wonder if one day one of our very own Denny boys will be returning to Bayswater School with their Olympic medals to fire the starting gun!

Walking School Bus Meeting - Tomorrow

Parents/caregivers are invited to a meeting about starting another Walking School Bus route. The meeting will be held at 9:00am in the staffroom. Morning tea provided.

Learning Te Reo Māori

A number of parents have taken forms away to sign up for He Papa Tikanga, a course available through Te Wananga o Aotearoa. This is an individual, distance learning course but whānau are very welcome to join the teachers as we work through it together at staff meetings. If you would like to sign up, please collect an application form from me.
