Sharing tuakana-teina programme with other Peninsula schools

On Monday Claire and ClaireS shared with the staff at Vauxhall School their knowledge and experience of using a tuakana-teina programme to enhance learning. The tuakana-teina relationship, an integral part of traditional Māori society, provides a model for buddy systems. An older or more expert tuakana helps and guides a younger or less expert teina. At Bayswater we have two tuakana teina programmes running: some senior children are tuakana to some middle children to support them with their writing, and all the senior children each year are paired with a tuakana from Takapuna Grammar School.

Whanau hui Friday 13 May

It was lovely to see our whanau back at the weekly hui and great to see all the tamariki presenting. Whānau Puna and Wai shared some of their learning during Learning Adventures, Planet Earth and Beyond. Puna uncovered the puzzle to find a picture of a telescope and then wrote about what they imagined they could see when they looked through it! Wai learned about scientific language / jargon and how they can use it to enhance their writing of explanations. These are examples of how learning is one area such as science can be used to engage children in literacy as well as to enhance one's understanding of the topic.

Whanau Kokoru shared some stories and poems, and then a slideshow of photos from camp MERC.

Welcome to our three student teachers who will be with us for three to four weeks learning about best practice in teaching. From left to right: Mitch is in Room 3 with Claire S, Rick is in Room 6 with Norah and Ben is in Room 9b with Tracy.

Breakfast in Schools

Breakfast in schools is up and running, if your child misses breakfast they can come to the staffroom between 8.30 and 8.50 for weetbix and milk.

The new caretaker will:

- have an eye for detail, noticing when jobs need to be done;

Covid-19 update

Thank you everyone for continuing to assist us in keeping our tamariki safe. We still have some positive cases in our school community so we ask that adults coming inside wear masks, and are maintaining our hygiene procedures.

GOD OF CARNAGE

written by Yasmina Reza
directed by Kate Birch

21 May - 4 June 2022
book at www.ticket.co.nz or phone 09 361 1000

Not suitable for younger children, but parents will love it!

We look forward to your company
at a performance of

GOD OF CARNAGE

by Yasmina Reza

'a comedy of manners without the manners.'

What happens when two sets of parents meet up to deal with the unruly behaviour of their children? A calm and rational debate between grown-ups about the need to teach kids how to behave properly? Or a hysterical night of name calling, tantrums and tears before bedtime? Boys will be boys, but adults are usually worse - much worse.

God of Carnage by Yasmina Reza and translated by Christopher Hampton, won the Olivier Award for Best Comedy and the Tony award for Best Play. Directed by Kate Birch, a black comedy where you join two couples on a rollercoaster ride to carnage.

'Middle-class savagery has never been so much fun'
