Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Kiwaha: kia atawhai - Be kind

What is Matariki?

Matariki is the Māori name for the cluster of stars also known as the Pleiades. It rises in midwinter and for many Māori, it heralds the start of a new year. Iwi across New Zealand understand and celebrate Matariki in different ways and at different times.

Matariki is an abbreviation of 'Ngā Mata o te Ariki Tāwhirimātea' ('The eyes of the god Tāwhirimātea') and refers to a large cluster of stars, known in some European traditions as the Pleiades. According to Māori tradition, the god of the wind, Tāwhirimātea, was so angry when his siblings separated their parents, Ranginui the sky father and Papatūānuku the earth mother, that he tore out his eyes and threw them into the heavens.

The cycle of life and death

Traditionally, Matariki was a time to acknowledge the dead and to release their spirits to become stars. It was also a time to reflect, to be thankful to the gods for the harvest, to feast and to share the bounty of the harvest with family and friends.

Matariki revived

Matariki, or Māori New Year, celebrations were once popular, but had largely stopped by the 1940s. In the 2000s, they were revived. Now, thousands of people take part in events to honour the beginning of the Māori New Year, and in whānau celebrations to remember those who have died and to plan for the year ahead.

Matariki is a time to come together and the Bayswater Matariki Festival certainly does that!

Community Consultation

The Board now has all the results which have been kindly collated and analysed for us by Alyona (Mya and Mark's mum). The Board will now convene at a special meeting to discuss the results and to prepare a letter to share with our school community. On initial viewing it is encouraging to see such positive results.

The whānau consultation, along with the staff and child surveys will be used to devise our Strategic Plan for the next three years.

Schooldocs

This term we are reviewing the Education Outside the Classroom (EOTC) section. The term 2 review will close Friday 30 June. Go to the Current Review tab on your SchoolDocs site for review instructions.

Matariki Festival

Once again our amazing community pulled together to create a wonderful community event. There are not enough words to describe just how special this event is, and it just gets better each year as we bring in more and more of the community.

I am immensely proud of the Bayswater School community spirit it takes to make it all happen - from the work behind the scenes, the hours and hours of prep leading up to the day, the setting up and taking down, the help with getting the grounds looking good, the smiles and fun while helping at the stalls and activities, the tamariki performances, the art installation, the bonfire and more. Thank you all so much for making it happen!

Thank you to master carver Natanahira Pono. Thank you to our sponsors: Our Platinum sponsor Lewis from Devonport Cars as well as Llv from Harcourts, Piers from Stretch Tents, Jimmy and Shore Architectual, Devonport Takapuna Local Board, Auckland Council, Creative NZ Communities.

Ngā mihi o Matariki, te tau hou Māori

- You will only receive a push notification if you are not using the app at the time
- If your volume is off you will not hear an alert
- You will see a visual alert if a **notice** has been posted. You will not hear a ding
