Sports News - Waterwise Regatta

Well done to our sailors, Izzy MacLennan, Rima Malloch, Brodie Jones and Dusty Schmidhalter-Ward. They represented Bayswater School in the Waterwise regatta last week. Not only did we have compliments about their excellent behaviour and sportsmanlike attitude but they also placed third in the competition. I think that may be a record for us! Well done to you all and many thanks to Robin (Izzy's granddad) for accompanying the children to the regatta. Thanks also to all the whānau who turned out to support the children.

Sports Bags

Many thanks to Mandy and Brian (Edie Warman-Cough's parents) who have sponsored sports bags for us. The new bags, resplendent with Bayswater School's logo are proving very useful already!

Rippa

Three teams attended the Rippa Tournament last week. They all won some games and scored some tries and their behaviour was reportedly excellent! Well done to you all and many thanks to Amy for organising, Megan for coaching and Bill and all the whānau who accompanied them.

Masters Games

It was an absolute pleasure to welcome four of our Bayswater Whānau to a special assembly on Wednesday morning to talk about their experiences in the Masters Games.

We asked the children what the main messages were from the athletes:

"When they came in, they inspired us to never give up, try new things and keep on trying to achieve your goals. They inspired our whole school by showing our school values such as personal **excellence and resilience.**"
(Nico Moy, Room 1)

"It inspires us because it shows no matter how old you are or what you look like anything is possible, if you believe, you can do it."
(Bailey Flavell, Room 1)

Joining us in assembly were (left to right) Augusta, Riley's Aunt; Mark, Connor and Patrick's Dad; Megan, Isaac and Zoe's Mum and Marianne, our DP. Later on, John Brodie, Isabella's grandfather also joined us and visited Room 10.

Thank you to all the athletes who joined us, you can tell from the children's comments that the visit was inspirational for us all.

The World Masters Games by Francheska (Room 1)

The World Masters Games is a competition involving sports, like the Olympics. The types of medals are gold, bronze, and silver. Some people from the Bayswater Whānau came to our school to share their experience. They all had different types of medals from different types of sports in the competition.

After everybody told their experience, Augusta (one of the people that came) came to our class to show us her medal, ID, bracelet and hat. She told us that if it was your turn, the bracelet would light up, but the batteries ran out. They also said that it's called 'The World Masters Games' is because you have to be in a specific age group to compete, for example, you have to be 30 to enter a swimming competition.

Each area in the competition is very large. 25,000 people came to the competition, I think that includes the audience too. They showed us a video about it, including a slideshow. They said that four years from now, the competition would be in Japan.

Outdoor Classroom Day

Although we weren't able to go ahead with our plans last Wednesday, many children brought a change of clothes to school expecting outdoor classroom day. Because of this, it seemed like a good day to let the kids be kids in the mud and puddles at lunchtime! The patch of grass behind the school was soon turned into a mudslide and the sand pit and soft fall on both playgrounds also proved tempting! From my perspective, hosing the children down with the fire hose afterwards was priceless!

We rescheduled Outdoor Classroom Day for Friday. We don't have room this week but will include photos and comments from the children in next week's newsletter.

May is the Month for our Women of Bayswater School

Ko Haratua te marama o nga wahine o matou kura Waikokoru

To celebrate during May there will be the following classes in the hall on Wednesday nights from 7.30pm for our Wahine. The cost is \$10 and the intention is to bring our Wahine together to take some time to look after ourselves, make friends, network and build our community. It is also a camp fundraiser for our Year 4/5 children.

Te Po Toru - Third Week - Wednesday 24th May

Dance/fitness Class

Jenna Watts a.k.a Zeke's Mum is a beauty therapist and dance teacher. She has strung together a few exciting moves to get your heart rate up while letting your hair down! Be prepared to move!

Te Po Whakamutunga - Final Week - Wednesday 31st May

To round off what is going to be a great month the final night will be to celebrate us! There will be different therapists that you can come and talk with for free, Homeopath, Nutritionist, Physiotherapist. Jenna will be offering relaxing hand massage and I will be offering chair massage (both proceeds will go towards the camp fund). There will be tea and coffee to purchase and a baking stall of course! To kick the night off local adult Kapa Haka group Aru Waihirere will be doing a performance, come and check it out, you may even recognise a couple of faces....

Renewable Energy Visit

Last week Bayswater School hosted a very special international guest - Ms Martha Relitha Sibarani, the Vice Director of Renewable Energy at the Indonesia Ministry of Energy and Mineral Resources. She came with Maggie Twaddle who is the Programme Manager for Solar Schools with other key staff from Power Technology and the NZ Ministry of Education.

Power Technology has installed solar on to the majority of schools in New Zealand with the Genesis Energy Schoolgen programme. Power Technology is starting a similar programme to help Indonesia learn about solar energy as a better option for their country. This is all about international goodwill which involves taking the experience of setting up schools in New Zealand with solar to Indonesia and creating a similar programme to the Schoolgen programme that Bayswater School has played a key part in.

A group of students at Bayswater School with their Schoolgen Lead Teacher Dianne Cluett gave a very detailed presentation to show how much they know about solar energy and energy efficiency. They were also supported by a group of students from Belmont Intermediate who were able to give a presentation to the visitors on behalf of intermediate students in New Zealand. This supports New Zealand as a country promoting renewable (solar) energy awareness through education, to sustain the vision of New Zealand as cleaner greener country.

Buster Needs a Forever Home

Buster needs to find a new home as his family have moved into an apartment but Buster likes to get outside every now and then. Apartment living is not for him!

Buster is a 10 year old Himalayan Black Persian. He is in excellent health and has a very sweet nature. He is not an athletic cat, but loves to have things rolled his way to "catch" - so sweet! He is very quiet even when he meows, not a needy cat but loves attention when he gets it.

If you think Buster might be a good fit with your family you are welcome to spend some time with him before making a decision. Please call Andrea at Bayswater Cattery 445 2746.
