

## Newsletter / Kawerongo 15 \* 17 October 2023

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

**Kiwaha: Aroha atu aroha mai - Love given, love received**

### Numberthon 2023

Now's the time to start collecting the money from your sponsors! There are prizes for the top fundraisers! There will be spot prizes drawn from all those who raise some funds. The money from the Numberthon will go towards replacing some of our student computers. To be eligible for a prize the money must be in by Friday 27 October please.

This week Titus and Kingston shared with me their diagrams of the Blue Eyed Penguin which they have labelled clearly.

### Kia ora Bayswater whānau

Welcome to term 4 - Christmas and the holidays will be upon us before we know it! At school however we have lots of learning to do as well as some traditional end-of-year activities including school athletics day, prizegiving, school picnic, final assembly etc... see dates below.

You will have noticed the property work that was completed over the holidays. Some of the work was remedial work due to the storm damage - the junior shade sails have been replaced, the internal wall and flooring outside Room 4 has been repaired, and the Clearlite outside the library replaced.

You will have also noticed our new fence. The fence has been installed by the Ministry of Education to ensure the safety of the learning support children we have onsite e.g. children who are still learning that the road is a dangerous place and/or don't understand boundaries. The height of the fence is the minimum required to ensure it can't be climbed easily. I explained this to our wonderful tamariki on Monday, they were all very understanding and happy to do their part to keep everyone safe. It is important that we are vigilant and keep the gates closed during school hours.

Nga mihi  
Marianne

Accessing the school now we have the new fence... the gates will be open until 8.55am each morning, they will then be closed until 2.50pm. If you arrive late you will need to assist your child with coming into school.

*To keep all our tamariki safe please do not use the driveway when walking into school!*
