Kia Ora te Whānau!

Weaving Course Offer – Devonport Recycling Centre

...for waste reducing Tamaki Makaurau residents who want to go beyond reusable shopping bags made from organic cotton grown and shipped from somewhere else comes the workshop that will truly inform you, liberate you, put you in touch with a taonga that will take you on a journey of discovery, reinforce your connection to Te Ao - the natural world and germinate a love for things of our Aotearoa/NZ natural world.

The taonga we want to introduce you to is harakeke/korari, we invite you to participate and with our coaching, discover how quick it is to make kete waikawa, strong enough for grocery shopping, the kete that will become the popular vessel of choice for food shopping whether that be at the Farmers' Market or supermarket and ultimately harvesting kai from the garden or the community garden.

Sunshine and Showers!

From now until the end of the year, children need to have a sunhat in school each day. We are trying to teach the children to be sun smart and encourage them to wear sunscreen each day too. Additional sunscreen is available in classrooms so they can top up during the day.

Of course, the weather is very unsettled still so it is useful to provide your child with a change of clothes in case they get wet... although we try to keep them out of puddles, they are very tempting! If you have any spare school clothes at home, please return them asap.

Haere Mai! ERO Visiting Next Week

Next week, we welcome Graeme Tregoweth and Bill Ahern who will be visiting us from the Education Review Office.

Give the Walking School Bus a go!

On Wednesday November 2nd, we are going to run two walking school buses so your children can hop on and give it a go! You can drop your child off on the WSB or walk with it to school. Here's some info about the routes:

1. Bayswater Ave. Our Auckland Transport WSB officer, Sally Logan will start at the dairy on Bayswater Ave. She'll be there from 815, and leave at 820, walking towards school. Join the bus at the start, or further along the route.
2. Lake Road. Bayswater's WSB parent coordinator, Joanna MacKenzie will walk from the Kings Store shops to school. She'll be at the corner of Kawerau and Lake Road from 820 and will leave at 825.

If your child would like to give it a go next Wednesday, please email joanna.c.mackenzie@gmail.com or call on 021 832 121 so we know who to expect. Happy walking!

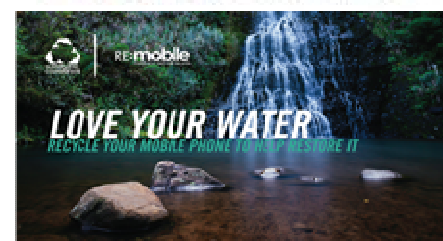

SUSTAINABLE COASTLINES MOBILE PHONE APPEAL IN OUR SCHOOL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have.

Phones collected help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances.

Please drop any unwanted mobile phones you may have in the collection box in the reception area at School.

Bayswater Kids Duathlon – Sunday 6th November 2016

Only 5 more sleeps until the Duathlon! We can't wait, the hype is really building now, the kids have been training and are all super fit and ready! Hopefully we will get some great weather on the day too! We still need that final push to get there.

The last Duathlon planning meeting will be held tonight at 7pm in the staff room. All welcome!

If you haven't already signed yourself up for a job on Sunday, we need YOU!

We have a very empty looking roster and really need lots parents to contribute their time on Sunday to ensure the event is a great success. We are really grateful for your help and the Duathlon can not go ahead without it.

Please keep on bringing in second hand sports goods and non perishable items for the hamper. The collection so far has been slow and we need a LOT more! House points awarded for donations. Silent Auction items are also welcome!
