

# **BAYSWATER SCHOOL**

## **Learning Treaty**

for \_\_\_\_\_ of Room \_\_\_\_\_

**Learning well in our room means I will demonstrate the Bayswater Values of:**

### **Hauora**

I help everyone have a good day by:

- giving and receiving compliments graciously
- greeting everyone with a smile
- keeping myself and others safe

### **Respect**

- I speak politely and actively listen to others
- I take care of people, things and places
- If I make a mistake, I show I am sorry with my words and actions

### **Personal Excellence**

- I participate and contribute
- I set goals for myself and work hard to achieve them
- I complete my learning activities and commitments

### **Resilience**

- I take responsibility for myself by using positive self-talk
- I always have a go and take risks with my learning
- I accept feelings of learning including frustration, disappointment, celebration

**There are many rewards for learning well, including:** a sense of pride, learning something new, healthy relationships, acknowledgement from others, house points, whānau rewards, assembly certificates, korowai (Whānau Kokoru), whetū (Whānau Wai) and Ka Pai Club (Whānau Puna).

### **If I am not learning well, there are different ways my teacher will support me.**

Everyone slips up sometimes so my teacher will:

- remind me of my responsibilities as a learner

If I need support to make better learning choices, my teacher will:

- ask me to move to another part of our classroom - this will give me the opportunity to think or re-focus into being a learner, or
- find me another place to learn for a while (another classroom, the office).

If the above steps do not help me refocus into being a learner, my teacher will:

- send me to see Lindsay or Marianne who will talk to me about what has occurred. We will determine a logical consequence which may be that I am asked to phone my whānau and tell them what has gone wrong.

After that, Lindsay/Marianne, my teacher and my whānau will make a decision about what happens next to improve my learning behaviour.

**PLEASE RETURN THE WHOLE SHEET TO CLASS**
