Eid Mubarak

I would like to wish all of our Muslim families a very happy Eid El Fitur.

Haere Mai and Welcome to Morning Tea

You are invited to a 'bring a plate' morning tea in the staff room after assembly (around 9:30am) on Friday 29th June. This is an opportunity to welcome all our new parents and whānau and to get together with our 'old' parents and whānau. If you are new to our school, it will be a great opportunity for you to meet some new people. Many thanks to Janelle Taege for organising this.

Learning Pathways

Across the school this year, children are reflecting on what we already do and considering ways to improve what we do as an Enviro School.

Derek (Restoration Manager at the Kaipatiki Environment Project in Birkdale and chairman of the Auckland Tree Crops Association) visited Dianne's class (Room 4) last Tuesday to answer a barrage of enthusiastic questions from the children about their plans for the school orchard re-establishment. Derek advised them on trees appropriate for our local area, correct placement, tree health and planting. The children learned a lot. Massive thanks to Derek. Thanks also to Janet (General Manager of the Kaipatiki Environment Project) for letting us borrow Derek!

A date to note, the Auckland Tree Crops Association will have their first annual tree and plant sale on the 11th of July...

Inter-Schools Rippa Rugby

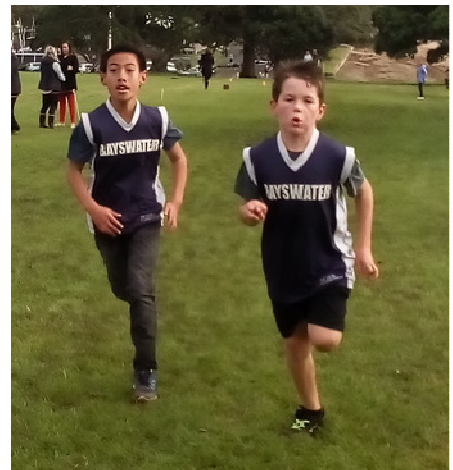

Well done to all the children who represented Bayswater School so well at last week's Rippa Rugby tournament.

We may not have won, but the children demonstrated the Bayswater values of resilience and respect.

Peninsula Cross Country

Well done, too, to all the children who went to Peninsula Cross Country last week. As always, it is a gruelling course but everyone did their very best and demonstrated resilience! Special congratulations to Sam Bradley, who was placed second in his age group and Hugo Moeller, who came ninth in his. Well done to you all!

Nit Alert!

A parent kindly shared this useful website which advocates keeping head lice under control by the conditioning and combing method. <http://www.schoolatoz.nsw.edu.au/wellbeing/health/removing-head-lice-and-nits>
