Matariki Celebrations

Thank you to all the parents and whanau who supported our Matariki celebrations this year. We had huge amounts of food donated – more than enough to go around. Thanks to all of the whanau who came into school on the day to help to prepare and serve the boil-up and especially to those who stuck around afterwards to help to clear up!

Well done to all the children who contributed on the day and who helped to make the celebration so special. We had two wonderful MCs, karakia, korero, waiata and kapa haka. Thanks to Megan and Marianne for all their organising, to Allison and Sasha for their work with the kapa haka groups, to all of the staff for helping the children to learn the songs etc and to Whaea Cara for all her hard work.

Tot to Teens

Tots to Teens magazine is a free community parenting resource for Auckland families. We focus on positive, well-researched parenting advice to support children's reading, learning, behaviour, nutrition, health, well-being, and resilience. We have distributed 550,000 free magazines nationwide each year to families through schools, preschools, libraries, and Plunket for 16 years.

To help support more New Zealand families, we are now producing Tots to Teens as a free digital magazine, using the latest technology that ensures an easy-to-read experience for parents, particularly for those parents who read emails using their phone. We want to make it easier for parents to read our helpful articles, and we're doing this by making it simple to share the Tots to Teens digital magazine in your school newsletters and emails to parents.

We are taking part in a pilot programme to receive the latest issue of Tots to Teens as a digital magazine. Whānau can access the latest issue of Tots to Teens for free through this link. It's easy to open and there are no big files to download, and it's secure.
