Green Gold Reflection

Last Wednesday, we welcomed visitors from the Enviro Schools network who helped us with our Green Gold reflection. Children shared the learning they had been doing in class and also showed the visitors special projects around the school. I am delighted to report that the decision was made for Bayswater School to retain its Green Gold status. A group will be attending a ceremony at Western Springs College to receive our certificate on Thursday.

The photographs show the children proudly presenting the various projects they have worked on during the year.

Big Kiwi Lunch

Thank you to everyone who came along to the Big Lunch on Tuesday the week before last. The meal, cottage pie with kumara mash, was delicious and some of our kids even featured on Seven Sharp's coverage of World Food Day. For more information, go to: <https://eatrightbebright.org.nz/>

Community Events

There were lots of exciting things happening in the area over the long weekend. Beautifying Belmont event took place on Saturday and included constructing new planter boxes and events for the children. Later the same day, there was a welcome for the return of the godwits. Both events were attended by Bayswater families.

Pictured are Alice McLuckie and her Mum Annemarie.

Message from Belmont Zero Waste

Belmont Zero Waste is currently working on a project creating fabric tote bags that will be available for free at Belmont shops. Katja from Katelyn & Co has designed a 'Belmont Zero Waste' logo that will be put onto the bags.

They are looking for local volunteers with basic sewing skills and a sewing machine. The fabric is already cut and printed and comes with a sample bag, so up to 10 bags would be easy to make in about three hours. If this is something you would like to be involved in please contact Katja on 027 671 9091. Material for bags can be delivered to your home or be picked up at 'Katelyn & Co'.

If you have any fabric, old sheets or old clothing that could be cut up and made into bags please get in touch with Katja or pop into Katelyn & Co.

Facebook Pages

Did you know that the school and the Parent Group both have facebook pages? Both contain useful information about upcoming events and also photos of goings on at school! You may find the facebook pages a convenient way of keeping up to date with what is happening.

Yummy Fruit

Another fantastic result for the Yummy Apple sticker promotion: we have \$783 to spend on sports equipment. Thank you to everyone that made this possible. We collect stickers all year around, so if you need another collection sheet please collect one from the office (there's a box of sheets on the floor outside my office) or the school & Parent Group Facebook page.

A huge thank you goes to **Amanda Hoskings**, who organises all of this for our school.

Where did our Haka come from?

You may be aware that our senior kapa haka group has been working for some months on a new haka, Kura-Waka, written especially for our school by one of our Dads, Temuera Hall. On Thursday 8th November we will be meeting in Room 9 at 6:00pm. The children will perform the new haka, Danny Watson will tell some of the stories it relates to and we will share kai. If you would like to come, simply turn up with a plate of food to share. It will be an entertaining evening so bring the family along to join us.

Take the Switch to Water challenge to win a visit from Olympian Eliza McCartney!

With about 20,000 children taking the challenge last year, the popular Switch to Water challenge is back!

The impact of sugary drinks has attracted a lot of recent media attention, with over 36,000 New Zealand children having teeth extracted last year, and thousands requiring teeth extractions at hospitals under general anesthetic.

The devastating impact of sugary drinks is believed to play a role in these tragic numbers.

Eliza is proud to once again be the face of this popular campaign and believes that drinking water is key to a healthy lifestyle. It's time to get involved. Take up the "Switch to Water" challenge!

Real Estate Competition

Last Friday, we were joined in assembly by Peter Vollebregt of Premium Real Estate. Peter is a long time friend and supporter of Bayswater School, generously sponsoring many of our events. On this occasion, Peter agreed to judge a writing competition organised by Anne (student teacher in Dianne's class). Peter not only helped to judge the children's writing but also provided prizes and has even arranged for some of the pieces to be reproduced in the Devonport Flagstaff! Many thanks, once again, to Peter for his generosity and commitment to our school.

Parent Help

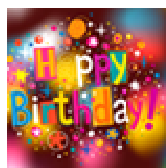

Parent Help is a non profit organisation supporting parents to build resilient and positive whānau. They run a free confidential parenting helpline for parents and caregivers. The helpline is available from 9am – 9pm, 7 days a week providing advice, support and practical strategies on any parenting challenge.

Clothes Share – Tuesday 20th November

Bridget is organising another wonderful Clothes Share on Tuesday 20th November. If anyone has unmarked children's and/or adults' summer clothing they would like to donate to the school, please drop it into the office. More information to come!
