Korowai feathered cloak

Green-Gold Award Ceremony

On Thursday last week, a small group of children attended the Enviroschools award ceremony. They were joined by all the schools and kindergartens which had completed successful reflections during 2018. All of the attending schools were asked to organise a stand to showcase some of the projects they had completed over the course of the year. Additionally, the Green-Gold schools were asked to present their learning to the group when they went up on the stage to receive their award. Our children did an outstanding job of sharing their learning.

NZEI Action

Members of the NZEI (Primary Teachers' Union) have voted in favour of a further strike for Monday 12th November. The Bayswater School Board of Trustees will be closing the school for the day, as the vast majority of the teaching staff will be taking action. If there is any change to this position, we will let whanau know by email.

Korowai Presentation

On Friday at assembly, two beautiful korowai were presented. The funds to purchase the materials were raised by Ruby, helped by Mya, with the long poi fundraiser last term.

Mandy Warman-Clough made the beautiful cloaks, including a few blue feathers to reflect the Bayswater School colours. We would like to have a glass fronted cabinet to display the korowai when not in use. If you have the skills and time to spare to help with this project, please contact the office.

Performing Children!

Three of our children, **Henry Wrycroft**, **Petra Wehrle** and **Rachelle Wilson** will be appearing in **Shrek the Musical** at the Aotea centre in a few weeks time. Another of our children, **Edie Warman-Clough**, performed in the Russian Ballet's triple bill at the Bruce Mason Centre over the weekend. Well done Edie and good luck Henry, Petra and Rachelle!

Where did our haka come from?

Don't forget, we will be meeting at 6pm on Thursday 8th (this week) in the new classroom block to listen to stories of our local area, see our new school haka performed and share kai. Come along with the family and bring a plate of food to share.

Blingo Bingo

The staff have booked their table – eyes down for a full house! Don't miss out on all the fun! Come along and support the Parent Group.

A message from Anne Dunne of the Parent Group

In case you are planning on coming to **Blingo Bingo** and have not bought your tickets yet - please book them by Wednesday so we can plan food and drinks accordingly. We have done a lot of advertising on social media, done drops to letterboxes in the neighbourhood and bombarded you all with emails, so please get behind us and let us know soon if you are planning on coming. Even if it is just a call to the office to reserve a table, that would help our planning immensely.

Switch
to Water

Take the Switch to Water challenge to win a visit from Olympian Eliza McCartney!

With about 20,000 children taking the challenge last year, the popular Switch to Water challenge is back! The impact of sugary drinks has attracted a lot of recent media attention, with over 36,000 New Zealand children having teeth extracted last year, and thousands requiring teeth extractions at hospitals under general anesthetic.

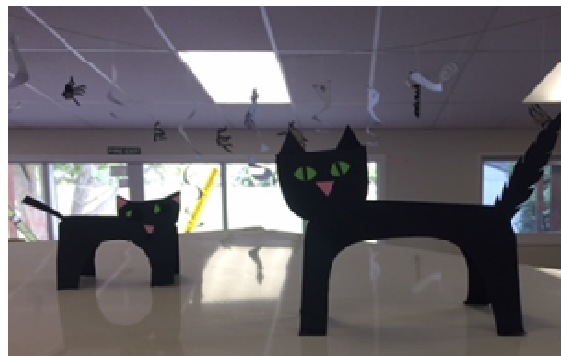

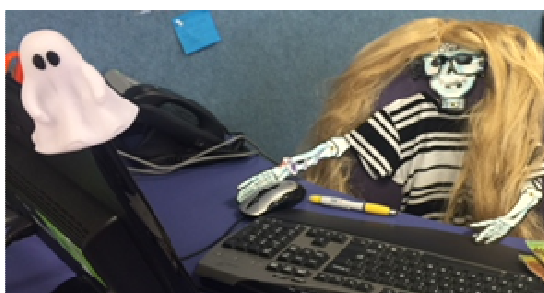

The devastating impact of sugary drinks is believed to play a role in these tragic numbers.

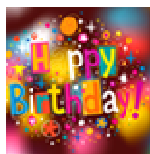

Eliza is proud to once again be the face of this popular campaign and believes that drinking water is key to a healthy lifestyle. It's time to get involved. Take up the "Switch to Water" challenge!
