Assemblies on Friday

As many of you already know, parents and whānau are always welcome to attend assembly on a Friday morning, starting just after 9am. This year we are going to include more items from classes, where children bring to assembly a piece of their learning to share. Sometimes a whole class may show something and at other times it will be a small group. Last week, Norah Wilson and Room 10 kicked off with Ellie MacKenzie Clark, Breah McLean and Isabella Brodie reading a poem about one of our Bayswater School values, hauora.

Each week, we will take a photograph of the children who are awarded a certificate in assembly, for inclusion in the following week's newsletter. That way, working parents and whānau who do not have the opportunity to join us, will be able to see the proud recipients. We will continue to list the names of the children and the reason why they received their certificate as usual.

Learning Pathways: Who do you think you are?

This term, our question is 'Who do you think you are?'. The children will be investigating where they and their ancestors have come from and how we arrived here together in Bayswater, Aotearoa New Zealand! Keep an eye on your child's class newsletters, emails etc to find out how you can help your child with information about his or her family, whakapapa, tupuna, ancestors.

To accompany the children's learning there is a fun display in the foyer of photographs of staff members when they were children. Next time you visit school, have a look and see if you can tell who is who!

New Buildings Update

You have probably noticed that the new buildings have changed a lot over the holiday period. They are on schedule for completion and should be ready for us in Term 2. Unfortunately, because of some drainage work, the swimming pool has been unavailable for us to use so far this term but we are hoping it will be open again later this week. At the moment, the best option is to send your child to school with their swimming things on their swimming day, just in case.

Sun Smart

As part of our duty of care, we insist that children wear hats and sun screen outside during the first term of the year. Please make sure that your child has a hat each day so that they can participate in playtimes and outdoor activities like sports. If your child would like to wear sunglasses too, then we are happy for them to bring these to school. As with all items, we recommend that they are clearly named and not too expensive!

Board Minutes Secretary - Farewell Maria... finally!

As I mentioned in assembly on Friday, the Board of Trustees is looking for a new minutes secretary. Maria Teape, whose children are now in Year 10 and 13 respectively, has decided to call it a day! Maria has had a long association with Bayswater School. I taught one of her children as a New Entrant many moons ago! She is a former Parent Group chair, organiser of the Duathlon, Waterwise instructor and was integral, along with her husband Nigel, to the setting up and running of the Auto Show. She has made a truly outstanding contribution to the life of the school and will be sorely missed. Many thanks for all that you have done for us, Maria.

If you are interested in the minutes secretary position, email me or pop into school and have a chat about what this entails. The Board meets on the last Monday of the month at 7pm at school. Meetings generally last until about 9:30pm. An honorarium is paid.

Tennis Coaching in School

It has been wonderful this week to see the children out on the playground practising their tennis skills. Many thanks to Amy McDowell-Pakieto for organising a five week coaching programme for Whānau Wai and Korkoru (middles and seniors).

Lindsay Child / Tumuaki Principal

Congratulations to our students who received a certificate at assembly on Friday for:-
