Maths Week Models, Posters and Games

Thank you to everybody for leaving your wonderful creations in the foyer for us all to enjoy. Visitors to school have made many lovely, positive comments about all the hard work which so obviously went into them. The models, posters and games can be collected on Friday of this week. We have loved having them!

Phoning In Sick

Yesterday morning Irene (school administrator) spent over an hour making more than 50 phone calls to parents and whānau whose children were absent from school. When a child is not at school and an adult carer does not call school to explain the absence, it is our duty to try to establish where that child is. It is an obligation we take seriously because we care about the safety of our children. What if the adult had sent the child to school, assumed they had arrived safely but they had in fact had an accident on their way...?
This means that Irene sometimes has to call up to four contact numbers for each child who is away.

As well as working in the office, Irene runs a programme which helps children with spelling and reading. An hour each morning chasing up the whereabouts of children is a complete waste of Irene's time when she could be working with children who would benefit from additional support. As well as this, most of the calls are to mobile phones, which costs the school money which it could also be spending on resources for the children.

Please, if your child is away from school, telephone and leave a message or email us to let us know. The school phone number is 09-445-6226. It can be phoned any time as even when there is no one to answer, a message can be recorded. Alternatively, email us on admin@bayswater.school.nz to let us know your child is safe at home with you.

Measles Vaccinations

The office is calling all whānau who have not provided us with their child's vaccination records. As you know, the incidence of measles is on the rise and Auckland has been hard hit. If you have not let us have vaccination records, please bring your child's in or scan / photograph them and email them to admin@bayswater.school.nz. Unvaccinated children will need to be kept at home if a case of measles occurs at school so we are ensuring that we are prepared should the need arise.

ASB

ASB Donations to Schools

If you're a parent, staff member or a member of the school community and draw down a new ASB home loan of \$250,000 or more, ASB will donate \$500 to your chosen participating school – that's us!

Sports Meeting

Are you interested in school sports? Would you like to have your say about how school sports are run? We are having a meeting on Thursday 12th September after school to discuss how teams are formed and organised for in school and out of school competitions and tournaments. Please come along and have your say! The meeting will be in Claire's room, Room Three / Ruma Toru. Light refreshments provided! See you there!

Wheels Day

A big thank you to the children who used their leadership skills to organise Wheels Day last week. Each syndicate had one block and the kids enjoyed spinning around school on all manner of wheels!

Charlie Booker, Mack Elphick-Moon, Luka Taege-Stacey, Ianiss Paulet and Dusty Schmidhalter-Ward organised the whole day and raised \$138.70 which we would like to put towards purchasing some portable skateboard ramps in the future.

Well done for organising a safe, fun day for all who took part.

Tōtara Planting

On Friday 30th August, the Enviro Group, along with Tōtara from R6, planted the two tōtara trees that were auctioned at the Parent Group's very successful Quiz night.

Danny Watson joined us and led the planting by blessing Papatūānuku. We all joined in the karakia before the trees were planted. Tōtara laid the trees in the holes and all the children placed a handful of soil around the trunk and bedded them into the ground. Danny stayed on to tell the children more stories about the trees. We will all enjoy watching the two tōtara (Podocarpus totara) trees grow in our new native planting, Te Korowai o Papatūānuku 2019.

The school will be putting up a small plaque to commemorate the planting of the tōtara trees. In years to come, the children will be able to return to the site and see the huge trees which they planted all those years before. A big thank you to Mark Davies (parent of Patrick and Connor) for organising all of this for us.

Congratulations to our students who received a certificate at assembly on **Friday** for:-

Room 1	Makoia	demonstrating personal excellence in literacy. You worked really hard to find all the sentence types in the story, both in a group and independently. Ka pai!
	Fatai	demonstrating personal excellence in writing. You joined in the class discussion and produced an interesting piece of writing. Te meke!
Room 2	Brooklyn	showing resilience and personal excellence in maths. You embrace the feelings of learning to help you understand new ideas when solving multiplication problems. Tu meke!
	Amy	showing personal excellence and progress in maths. You are using a variety of different strategies to solve multiplication and division. Tu meke!
Room 3	Adrian	respecting our school wide environment. You value the importance of taking care of the environment.
	Tyler	showing personal excellence in house play as an amazing tuakana. You were kind and a positive role model for the children in your house.
Room 4	Nicolas	demonstrating personal excellence by writing a meaningful thank you letter for the new playground, as well as choosing to write during independent writing opportunities.
	Lucy Rose	being a resilience learner who is making responsible choices with her friends during math time, enabling her to confidently participate in independent activities.
Room 5	Jaden	Working independently to complete his plan for what is promising to be an engaging speech - tino pai mahi!
	Taylah-Gene	Striving for personal excellence in maths, you tolerate the feelings of learning and demonstrate pride in your new understandings - tūmeke!
Room 6	Ewan	paying careful attention to detail in writing and thinking about what will interest your audience.
	Mareikura	demonstrating resilience during ball skills as you strive for personal excellence.
Room 7	Lachlan	being focused and dedicated towards your learning. You are striving towards your personal goals and developing a positive attitude in class. Tu meke Lachlan!
	Omeshan	being a resilient class member. You have dealt with many changes in class routine this week and continued to focus on your learning. Tu meke Ome!
Room 8	Lennox	trying hard to be part of the team in room 8. You are friendly and lovely to be around. You managed yourself well during the fire alarm occurrence.
	Greer	showing kindness and respect towards class members. It's lovely to see you care for others. Your work in class reflects your positive attitude as you work hard at doing well in all areas especially in poetry this week.
Room 9	Luke	demonstrating the Bayswater value of personal excellence. You used interesting and exciting writing techniques to engage the reader. You are an awesome author.
	Leo	supporting the hauora of the class by making new friends and engaging in play with others.

Happy Birthday to...
Rebecca Rose (10), **Preston TeMakarini Samuel** (6), and **Amy Sathiah** (11)
 who celebrate birthdays this week. We hope you have a wonderful time
 celebrating your special day with family and friends!
