The Term Ahead

Welcome back to the final term of 2019! This term, the focus of Learning Pathways will be a design technology one. This comes as a result of the realisation that there are many initiatives and projects which have been completed lately and which the visitor to the school would have no idea about... The children will be commissioned to design signage to point out and explain all the good things they have achieved.

End of Season Sporting Awards

A Bayswater School Hockey team entered the Year 3/4 primary league up at North Harbour. It was a team of kids from various schools, three of whom were from Bayswater – Isabella Brodie, Louie Brodie and Bella Choi (all in the back row of the photograph). They did extremely well, especially considering they had never really played before. The team held their heads high and by the time they got to the second round they were holding their own: winning one, drawing another and only just losing the rest. They kept on fighting, stayed positive and were great sportsmen! They were recognised at the North Harbour Awards and won the Team Effort award for Year 3/4 Grade. Congratulations!

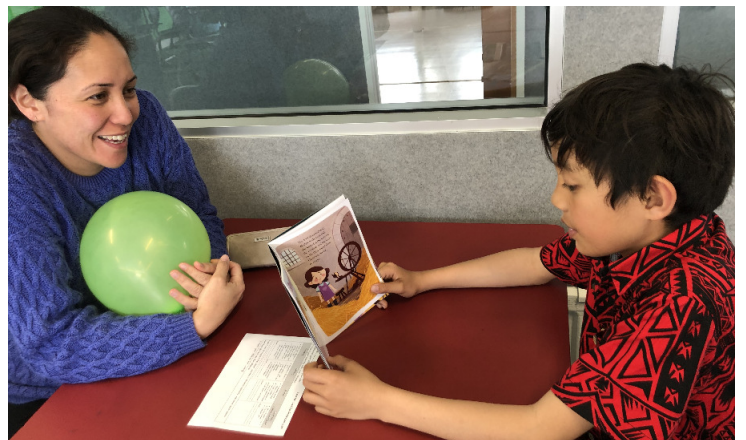

In netball, the Y5/6 team were runners up in their grade in the Netball North Harbour competition. The photograph shows them receiving their medals at a ceremony at the end of last term. Well done girls!

Learner-Led Open Afternoon

Thank you to all the whānau who attended the Learner-Led Open Afternoon during the last week of term. There was a real buzz throughout the school and it was wonderful to wander around listening to the children explaining their learning and discussing their achievements and next steps with their families.

Te Reo Tuatahi Extension Rōpu

This (photograph on the left) is our Te Reo Māori extension group on the last Monday of last term. They were playing with small rakau, tītītōrea.

Kaitahi Dinners Second Birthday

Two hundred people attended Kaitahi's second birthday at the end of last term and enjoyed a delicious meal that Brianna (Gabby Kwok's Mum) and the team of volunteers had put together. The food, which would otherwise be wasted, is mostly supplied by Kiwi Harvest.

The dinners would not be possible without the very generous donations of time, skills and energy of a large number of local people. On this occasion, our tamariki (children in Whānau Wai at Bayswater School) also helped with food preparation through Monday and Tuesday morning.

Worm Farm Worms

Hi all

This is a notice about our school worm farms. The enviro group have decided to revitalise the worm farms. We are looking for some generous people who would like to donate some tiger worms. If you have an offer please see Dianne (Room 4) or Claire S (Room 3). Many thanks from the enviro group.
