Te Kupu o te Wiki

**Whakatauki** Our saying for the week is:

**Iti rearea, teitei kahikatea, ka taea!**

With determination, we can succeed!

## Summer Share

Well, it certainly felt like summer over the weekend so it is time once again for the Summer Share. For those of you who are new to Bayswater, our regular seasonal shares are all about recycling what we already have in our community and putting it to a new use. Everyone brings in what they no longer need and everyone is welcome to come along and help themselves to items which will be useful to them – all without any money changing hands!

Over the next few weeks, please bring in good quality (unmarked etc.) unwanted summer goods. These can be adults and children's clothing, summer sheets, beach hats, togs, beach towels, beach umbrellas etc. Please drop items to the office. Donations are sorted and laid out and then everyone is welcome to come along on the 29<sup>th</sup> November to the staff room for a cuppa, a chat and a good rummage!

## Last Night at the Board...

Last night the Bayswater School Board of Trustees met for an 'ordinary' meeting. At an ordinary meeting, the Board takes reports about the different aspects of school life for which they are responsible. The board's primary responsibility is for student outcomes. This of course includes academic progress but is actually a much wider duty than this so the Board focuses very much on the wellbeing or hauora of the children as well.

In the principal's report, which describes our progress towards achieving the Board's strategic goals, they heard all about the professional learning development staff are doing as part of the Kāhui Ako (or Community of Learning). Alongside Takapuna Grammar School, we are upskilling in the area of 'Relationships-Based Learning', an evidence-based way of teaching which enhances outcomes for all learners.

In addition, the Board discussed the school's finances, health and safety, personnel and policy.

Board meetings are open to the public and any member of our school community is most welcome to come along and see what goes on. Board meetings take place on the first Monday of each month at 6:30pm in one of the senior classrooms.

### What's in the latest issue of Tots to Teens Magazine

In this issue, we have 25 simple and fun things to do with your young (and older!) children that you should definitely put on your family bucket list. We look at the magic of Fairy Tales in helping with children's reading. Also, how quiet time is good for all kids, as it's a lifetime skill we can help our kids to learn. We ask the question "What \*else\* are computers good for?" (as we're all well and truly over our kids' desire for gaming) and we look at how to start an early savings plan for university. Our Food Editor has three very delicious recipes using healthy seeds that are great for nutritious school lunches, and we have an eco-themed family fun page for all to enjoy. This issue you have the chance to win a \$6,500 family holiday to the Gold Coast: Read all about this easy and close destination in our travel story.
