Same Storm, Different Boats!

It has been wonderful this past week to see and hear about all the different things children have been learning during the lockdown rāhui. Pictured is Ryoji Onda of Room 5 who made beautiful origami sea creatures.

Staff have replanned the remainder of the term to give children the opportunity to share what they learnt, learn from each other and continue to pursue 'passion projects' now they are back at school.

The children will learn in the different areas of the New Zealand Curriculum and continue to use the analogy of 'same storm, different boats' as we journey in our imaginations to a far-off island, bringing with us learning, skills and attributes to make the island a better place.

The children in Rooms 7&8 have used drama to explore 'same storm, different boats' and art to share what their understanding. This display is in the foyer and hopefully everyone will be able to come inside soon to see it!

Daniel Wilson, in Room 5, brought in the bottle he found on the foreshore during the rāhui lockdown.

Samuel Moraunga-Low and Vinnie Dahlberg drew pictures and wrote about the toroa (albatross) chick they had been observing via live webcam at Taiaroa Head on the Otago Peninsula. Follow the link to see it [Royal-Cam](#)

Drop Off and Pick Up

Whilst we remain in level 2, please continue to drop off your child/ren no earlier than 8:40am. From next week, seniors and juniors will be leaving school at 3pm, normal time. If you are collecting children from both parts of the school, seniors will continue to be sent down to the junior school to join their younger siblings. We do appreciate that this causes some inconvenience but if you have difficulty with the timings, you

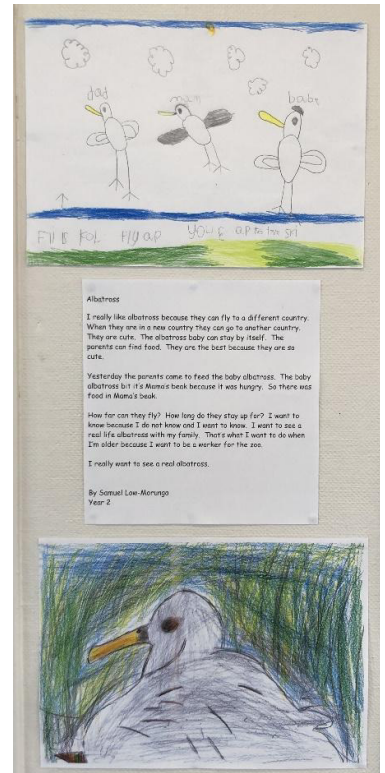

can book your child into before or after school care at Kelly Club which operates from the school hall. <https://www.kellyclub.co.nz/bayswater>

If you need to come into the school office, it is great if you can phone ahead (09-445-6226). All visitors to the school site must sign in and out at the school office to enable contact tracing.

Recipes from our Bubble

Don't forget, one of our TAs, Jude Winnie, is still collecting recipes which people enjoyed during lockdown. If you have one to contribute, please send it to jude@bayswaterschool.nz. You can send the recipe and/or photos of it being made or eaten and/or hand drawn pictures of it. This is a lovely project to work on with your child.

Assembly During level 2

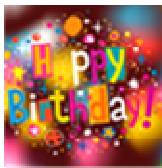

We know that many of our parents enjoy coming along to Friday assembly each week. We love having you there too! For the time being we will continue to run assemblies from our separate rooms, joining each other on google meets. If you would like to join us, click on the link Friday assembly just after 9 on Friday. The link is also available on the Bayswater School community calendar.

Teacher Only Day Cancelled

We would like to remind you that school will be open on Friday 29th May and Tuesday 2nd June as the teacher only day planned around the Kahui Ako has been cancelled.
