We do now need to make one of these up as we have some funded professional learning development which we need to complete. This will now take place on Monday 3<sup>rd</sup> August. School will be closed on this day. Kelly Club will be operational for the day so you could book your child in if you need some help with child care for the day: <https://www.kellyclub.co.nz/bayswater>

## Office Closed

On the morning of Friday 26<sup>th</sup> June the office will be closed for staff training from 8:30 to 9:15. Phone enquiries will still be answered but there will not be anyone at the office who can take payments etc. Sorry for any inconvenience.

## Board of Trustees News

The Bayswater School Board of Trustees met regularly during the rāhui lockdown. The normal meeting schedule of ordinary meetings (to discuss teaching and learning, finance and property) and self-review meetings was postponed to focus on the school's response to the Covid-19 crisis. The board supported the senior leadership team as we developed risk mitigation plans for the various levels and did their utmost to promote equity during the learning from home period. With the Board's blessing, the school distributed Chromebooks for families to use at home where there were insufficient devices for the children to access their distance learning.

Since level 2, the Board has met once. We have decided to continue to meet remotely for the time being as many of us enjoy being able to wear our pyjamas for meetings! The Board is currently discussing its next community consultation. We will be contacting all of you very soon to gain a better insight into your hopes and aspirations for your children's learning whilst they are at primary school. This will feed into our next charter and annual plan. Watch this space!

## Milk in Schools and Breakfast in Schools

Milk and breakfast will now be available again for children who would like it. Both can be found down in the staffroom between 8:30 and 8.45am.

## Friday Assembly

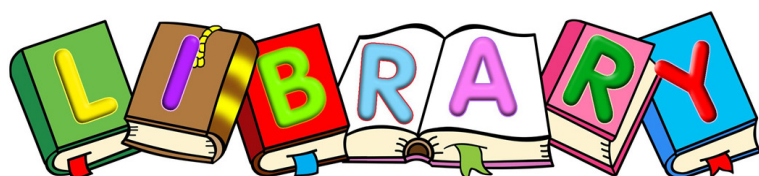

It was so lovely to welcome whānau back to assembly on Friday. Here we all are singing the National Anthem. Thank you so many of you for joining us – it felt really special.

## Ka Pai Club

Bayswater School operates a positive behavior management system where children are given opportunities to learn pro-social behaviours and problem solve tricky situations they may find themselves faced with, through Circle Time. In Circle Time, they are presented with different scenarios and they get to explore different possible ways of behaving in the different circumstances. All syndicates have systems where children are acknowledged for demonstrating the Bayswater School values (Hauora, Respect, Resilience and Personal Excellence).

Whānau Puna runs Ka Pai Club; Whānau Wai has Kahui Whetu and Whānau Kokoru has Te Korowai. Whānau Puna children enjoyed Ka Pai Club on Friday afternoon. Thank you to the parents who came in to do craft activities with them.

## Overdue Library Books

Please will all families with overdue library books return these asap! Some popular titles were issued before the rāhui lockdown and there are several children eagerly awaiting their return. Library books can be returned on your child's library day or before that by giving it in to the class teacher or popping it on the issuing desk in the library.

## Whānau Mārama Parenting

Whānau Mārama Parenting is a well established, community-based organisation who is fully committed to, and passionate about reducing the statistics of child abuse and family harm in Aotearoa New Zealand. We endeavour to achieve this goal by constantly working towards being a respected, dynamic organization through the development and delivery of non-punitive, extremely practical and highly effective courses for parents.

We believe that parents have the power to change our world for the better. To fulfill this vision we work consistently to empower parents with practical skills and strategies on how to effectively discipline their children without resorting to punishment, teach them how to establish mutually respectful loving parent-child relationships and give parents ways to successfully help their children learn what they wish to teach them.

We do this by delivering highly effective parenting courses each week. Our three core courses are specially designed for different age groups, from new-born through to teenage years. All these courses are created using a bi-cultural framework between Māori and Pakeha and illustrate how to parent in a positive Kiwi way. These courses are delivered in both English and also Mandarin.
