## Peninsula Speech Finals

I was absolutely delighted today to take Rebecca Rose and Paegan Barlow to the Peninsula Speech Competition, which took place at Hauraki School. The standard this year was, I thought, very high. Children from across the Peninsula schools spoke on a wide variety of topics, including pigs, amazing women who have changed the world for today's girls, and topical subjects such as what we have learnt from past pandemics and advantages and disadvantages of online learning from home.

Becky and Paegan delivered their speeches confidently and without a fault. Both of them made me feel very proud of our school. Becky's speech was all about why poetry is better than narrative and Paegan's was on why Te Reo Māori should be taught in schools. I am delighted to announce that in a close fought contest, Paegan was placed second overall. This is a great achievement! Well done!

## Te Wā Tuku Reo Māori (Māori Language Moment)

Yesterday at 12 noon, the school participated in Te Wā Tuku Reo Māori (Māori Language Moment) as part of Te Wiki o Te Reo Māori (Māori Language Week). It was part of an effort to have 1,000,000 New Zealanders all speaking te reo at the same time. Bayswater School syndicates 'met' up by google meet, joined by some parents from home, and each area of the school lead a waiata (song). The moment started with the seniors (Whānau Kokoru) leading the karakia followed by the waiata, 'Te Aroha'. The junior school (Whānau Puna) was next, leading 'Tūtira Mai Ngā Iwi'. The moment finished with middle school (Whānau Wai) leading 'Ehara i te mea'.

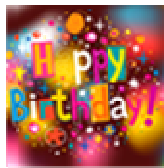

## School 'Camp'

Tomorrow the Y5s and Y6s are starting their two days of education outside the classroom. Please remember that senior school children need to be at school by 7:45am on both days. If you have any further last minute queries, please contact your child's class teacher.

## Community Survey Coming Soon...

Keep an eye out for the Board of Trustees' community consultation survey which will be arriving in your inbox shortly. The Board is gathering the thoughts and ideas of the whole Bayswater School community to inform its strategic planning over the next few years. Don't miss the chance to have your say!
