## Nau mai, haere mai!

### Thursday 1 April is Teacher Only Day

A Teacher Only day or Professional Development day is a time for teachers to work as a whole on such things as recent changes to the NZ Curriculum, updating of assessment practices, addressing additional needs, hearing and learning from experts in education, Kahui ako Conference etc.

A Teacher Only day does not reduce the number of days your child is at school! There is a minimum number of days school must be 'open for instruction' in a year so start and finish dates, including teacher only days are calculated carefully to ensure this. Generally we aim to tag Teacher Only days onto a weekend so families can enjoy a longer break.

Kelly Club is open all day on Thursday 1 April. If you'd like to book your child in call Jeremy on 022 301 8610.

### Battle of The Schools

Congratulations to both teams that represented Bayswater in the weekend and to the Bayswater Eagles who placed third! More info. and photos to come in the next newsletter.

### Whānau Kokoru camp

As part of our Great Outdoors theme for 2021 as well as their science, social science and history learning this term Whānau Kokoru went to the Arataki Visitor Centre - two days per group. They enjoyed many outdoor education experiences and an overnight stay.

Activities included: a night walk to explore the bush in the dark, learning about biodiversity including pest control, finding out how seeds disperse into the environment, planting flax plants to bring home, bush walking and seeing Aotearoa's second largest kauri tree. They found out about the history of biodiversity in Aotearoa including the introduction of predators and extinction of native species.

They learnt about survival including cooking sausages over an open fire, making stretchers out of branches and jumpers and building shelters using branches, rope and canvas.

They ate burgers, played games and had a fun overnight "sleep"!

A huge thank you to the Whānau Kokoru team of Claire, Jess and Tahlea for the many hours they put into organising the camp! A big thank you also to the parent helpers who came along either braving the overnighter or just for a day. Without your contribution we cannot have such events! Thank you also to Dianne who attended both camps full time - she was so excited after 43 years of teaching to finally get to go to camp - and loved it!
