Who Do You Think You Are? Learning Pathways

Thank you so much to all the parents and whānau who have been supporting their children's learning this term by talking to them about their own family history. Thanks to everyone who has helped their child to draw up their family tree to share in school. It isn't too late! Children are still bringing in information from home about where their parents, grandparents and tupuna (ancestors) have come from. It has been exciting for children to discover connections between each other and between themselves and staff. We are now starting to put it altogether with a display in the foyer, which will show some of the places in New Zealand and overseas to which we are connected. The wonderful thing about a study like this is that every child has something to share – every child can be an expert on their own family.

Bayswater Giant Walk Winner (North)!

Sally Logan, Community Transport Coordinator at Auckland Transport, visited us in assembly yesterday to present us with an award. During Walking School Bus Week, Bayswater had the highest proportion of children participating in the Giant Walk on the whole of the North Shore! Well done to everyone who walked that day.

Pictured are (back row, l to r) Rachel and Joanna (parents who run Walking School Bus), Sally Logan (Auckland Transport), Linda (Lead teacher for Travelwise) and (front row, l to r) the Travelwise Team, Iona, George, Peachy, Paegan, Zoe and Eden.

As well as helping to organise and publicise the Walking School Bus Week, the team of children have also attended a Travelwise training day. We are looking forward to seeing what great new ideas they come up with to promote sustainable travel to and from school!

Don't forget that school closes the day before Good Friday this year as Thursday 13th April is a Teacher Only Day. Last day of school for children is Wednesday 12th April.
