Lactic Turkey Sustainable Challenge

On Friday 11th June a mix of year 5 and 6 enviro-group leaders and a few other Whānau Kokoru members, formed three teams called Pukekos, Kiwis and Hogwarts. They entered the Lactic Turkey Sustainable Challenge. This involved a variety of sustainability challenges and navigation checkpoints. In order to achieve the best possible outcomes each team was expected to plan and strategize their movements which would take them across different terrain in the Long Bay Regional Park.

Thank you to the wonderful whānau who shadowed the teams. They were impressed with the flexibility of their team's thinking, willingness to adjust their strategies, resilience to overcome personal challenges and errors of judgement, as well as the way our tamariki motivated and supported each other. Overall there was great team work and this included a willingness to let those with special skills shine. The key competencies and Bayswater values certainly had a big part to play in each team's success.

There were seventy teams from year 5 to 8. The Pukekos came 11th overall and 5th for the primary school category. All the teams did extremely well and can be proud of their efforts, skills, knowledge and team work.

On return to school the tamariki were keen to convince us that they want to do a similar event at Muriwai. Below are excerpts from two of our tamariki's persuasive writing.

We really enjoyed the Lactic Turkey Sustainable Challenge in Long Bay on Friday. It was a team building activity and we learned a lot about pest trapping, soil quality, recycling, marine pests and orienteering. We got to explore a new park and navigate the terrain around us. We would really like to do something like that again in a different place such as Muriwai beach area. Muriwai is on the opposite coast and will have different challenges for us to enjoy.

Evie Marks

It was an amazing experience to have and you got to go out there and represent Bayswater School with pride. We got to learn how to work together as a team and have amazing experiences, so please let us go to the sustainability challenge at Muriwai and represent Bayswater School with pride again.

Matariki Lanterns

Twenty enviro-group members and other tamariki made Matariki Lanterns for the upcoming Matariki Festival. Natanahira Te pona who is running the Matariki Art workshops at the Devonport ArtSpace, supported by Lance Cablk - Programme Coordinator, Restoring Takarunga Hauraki supplied the materials and facilitated the creations.

This was a great STEAM (Science, Technology, Engineering, Art and Maths) opportunity as the children measured, cut and assembled bamboo sticks to create the pyramid shaped lanterns. The same group of children will be visiting the Devonport ArtSpace to create Matariki korero art related to the nine stars of Matariki.

Collaboration in action

Come along to Matariki Festival on Saturday 3rd July to see the finished product.

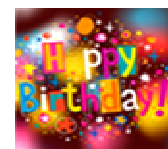

The Matariki Festival is only three weeks away.

Sign up to help this fabulous Bayswater School community fundraiser. An hour of your time will be great.

Happy Birthday to...

Vedant Vinod 8yrs and **David Westwood** 8yrs all having birthdays this week.
We hope you all have a wonderful time celebrating with family and friends!

Sports Notices

Basketball

Bayswater **Jaguars** played Willow Park Comets. The score was 16-0 to Willow Park. Player of the day was **Vedant Venod** for a great game and playing with kaha after he was hurt.

Hockey

Bayswater **Rakau** played Mairangi Bay Bluebirds with the score 4-0 to us. It was an exciting game with lots of excellent passing and teamwork. Player of the day was Taenga Durie.

Netball

A gallant effort from the Bayswater **Braves** netball team. The score was 4-11 to Campbells Bay. Player of the day was **Amelia Moy**.

Bayswater **Stars** played Belmont. While we didn't come away with a win this time we are really proud of the effort this team put in and the way they stayed focused throughout the game. Player of the day was **Duc Minh Nguyen**.

Bayswater **Nets** played Ponsonby School. The score was 4-2 to us. The player of the day was Mae Wilson. What a great game and so much enthusiasm from everyone! Well done girls. I hope everyone feels proud of themselves today!!!

Bayswater **Blaze** played Ponsonby and the score was 14-4 to Bayswater. What a terrific game! Team Blaze have gone from strength to strength over these past 6 weeks and this would have had to have been one of their strongest games. The whole team put in 100% with intercepts, solid defence, feeding the shooters well and finishing with accurate shooting! Ka rawe!

Congratulations to our students who received a certificate at assembly for:-
