### GRIP Leadership Conference

Every year we invite a group of children to attend a Leadership Conference. This year a group of 12 children enjoyed a day with the team from GRIP Leadership which is an independent organisation that exists to train and develop leaders with a special focus on school students. The focus of the conference is equipping student leaders with practical ideas and skills which will allow them to make a significant contribution to their schools now and in the future.

Bella and Sam - The time to be a leader is when it's something to do with your interests, talent, experience or when it will make a difference.

Petra, Dillyn and Indiana - We need to be ready for when it's time to put our own hand up and be ready to lead.

Gretta-Rose and Evie - We learnt that anyone can brighten the way people feel by implementing our bright ideas.

Bella - I learnt that leaders sacrifice to make a difference.

Ricki - I learnt that making mistakes is what makes a leader so great - this means they're trying their best to lead everyone into success.

Ewan - I learnt that integrity is highly valued in a leader.

Zephyr - It's OK to make loud noises - it was fun!
