Nau mai, haere mai!

The "Large Loose Parts" now have storage!

Thanks to our wonderful team of dads, Mat Dunne, Ben Western, Gavin Donaldson, Christian Wehrle, Nik Kelis and Nathan Holmberg, who got together last weekend to put together a storage shed for our "Large Loose Parts" play. They went the extra mile building a base for the shed and strengthening the interior. Particular thanks to Matt for organising the team and supplies to get this job done! He whetu koutou – you are stars!

We need your help now to add to our collection of parts, the following photos will give you some ideas. The items need to have no sharp edges, nails or small parts, the children need to be able to lift them and they need to fit in a shed. Please note that we already have enough tyres however parts with small wheels are always popular! Please bring in anything you have at home to school and we can check it for suitability.

Past pupil sporting success

We were so proud to see past pupil Isaac Denny earn Gold in pommel, rings, PBar and Highbar at the NZ Gymnastic nationals recently. It was no surprise to us at Bayswater, he was a dedicated gymnast while here, as is his brother Jack. We look forward to seeing Isaac at the Olympics - maybe even Paris in 2024!

On another sporting note check out the results from the five school teams that competed last week - four wins and a draw! It can be hard sometimes competing against schools that have a wider base to choose from but as always our Bayswater tamariki come together as a team to challenge their rivals!

Matariki Boil Up - Friday 13th August at 1:30pm

The Matariki Boil Up is on Friday 13th August at 1:30pm and we would love whānau to share the kai with us at school. Ngā hākari (celebrations) will begin with a karakia, led by some of our students as well as waiata performed by the school. Then, it will be time to share kai. Everyone will need to bring their own bowl and spoon on the day.

Please keep bringing in food items or a koha towards purchasing meat.

WEEK ONE: potato, kumara, carrot, onion, pumpkin
WEEK TWO: meat - pork bones, pork hocks, pork ribs etc *
WEEK THREE: celery and LOTS of watercress!

Art Exhibition

After enjoying your kai, or before, you can wander through the corridors and classrooms to enjoy our Bayswater School Art Exhibition. The art is a culmination of Term 2's Learning Adventures where the tamariki created artworks based on Māori legends and/or New Zealand Aotearoa landforms.

A selection of the artwork will be displayed at the Peninsula Exhibition of Student Art 2021 at the Lake House Art Centre from 24 August to 11 September (these works have been photocopied and will be on display at school).

Happy Birthday to...

Lachie Weaver turning 10yrs, Sophie Price 6yrs, and Isabella Choi 11 yrs.
We hope you all have fun and a wonderful time celebrating with family and friends!

Netball

Year 3/4 team played Hobsonville School. The score was 15-1 to us. The player of the day was **Ruby Jacobson** and **Margaret Pham**. What a fantastic game. Very proud of the girls' efforts scoring an amazing 15 goals, their highest score yet Great teamwork girls, well done.

Team **Blaze** had an incredible game last week. They were down 4 goals for the first quarter then turned their game around, dug really deep with positive attitudes to win 14-5. Ka rawe! Ka mau te wehi!

Congratulations to our students who received a certificate at assembly for:-

Room 1	Gabe	demonstrating personal excellence during literacy. You contributed to group discussions as you successfully identified the features of a good speech. Tumeke!
	Emilio	demonstrating personal excellence during art. You put in tons of mahi to successfully draft and deliver not only a superb watercolour landscape but also a digital version as well. Miharo!
