Y5/6 School Camp at Sir Peter Blake Marine Education Centre

## Nau mai, haere mai!

### Working Bee thank you

Thank you all who came to the Working Bee. It was fabulous to get the old dental clinic cleared, more room created in the patrol shed for storage and the old shed removed to make more room for bike stands. An extra thank you to Mat Dunne for helping to make it happen!

Now it's time to get the area concreted! We have had an offer to get the job done but if you've got spare concrete mix lying around that you'd like to donate please let us know. The area is about 2.5m x 3m.

### Bake Sale

On Friday a group of children held a bake sale to fundraise for camp. What a great place it was to set up with all those hungry footballers around! I did enjoy my sausage roll and chocolate cake! They raised \$539.30! Tu meke!

### While you're at work and play we've been busy learning...

We're sorry you can't make it into school to see for yourselves so we're sharing some of our learning here! We look forward to having all our whānau coming in to visit us soon - we miss you!

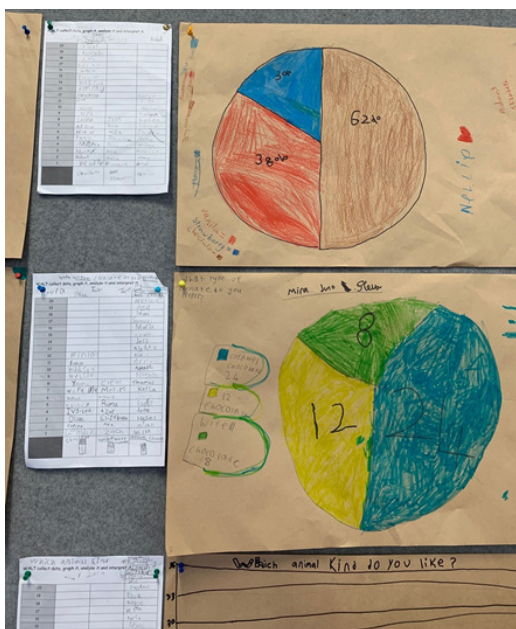

Te korowai o Whānau Kokoru - Whānau Kokoru's korowai

Whānau Kokoru use the korowai to represent the mana they show when displaying the Bayswater Values. They have discussed what it means to be proud of what you do and what the values look like in school life. This year the base of the korowai is made from flax.

In maths Whānau Kokoru have been using data squares to sort data and have then written statements about what they noticed.

In Room 9a our newest tamariki have been learning how to draw faces, they wrote about what makes them unique.

## Communication of Learning

All going well we invite you to come into class for our "Communication of Learning" on Tuesday 12 April from 3.15 to 5.00pm. This is a chance for your child/ren to share with you what they've been doing at school. We're not sure what form it will take yet as it will be dependent on Covid restrictions, we'll let you know closer to the time. If you would like a one-on-one chat with your child's teacher please email them anytime to arrange a meeting.

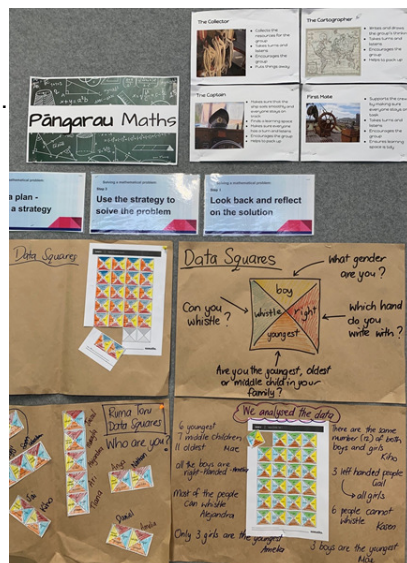

Marianne Coldham and staff

## Bayswater Parent Group

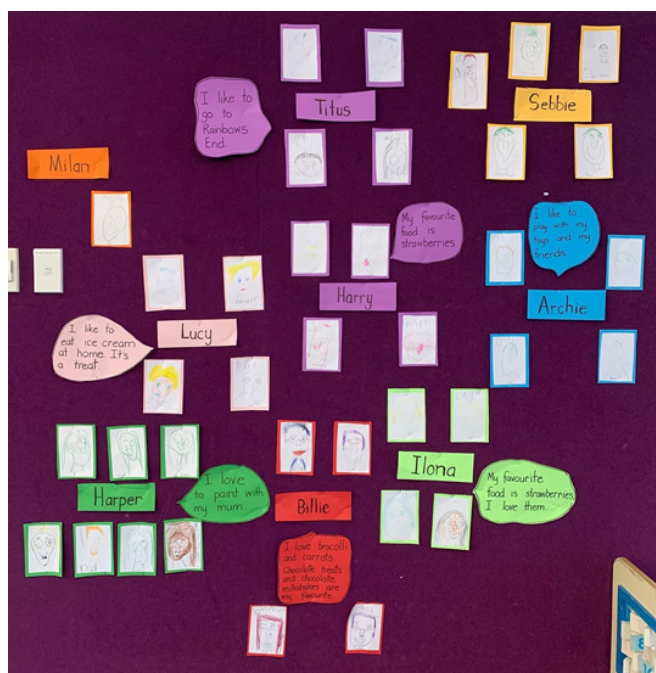

Haere mai Bayswater Whanau. The Bayswater Parent Group will be having its Annual General meeting on Tuesday the 1st March at 7.30 virtually via Google Meets. Everyone is welcome. We will review last years efforts and discuss the up coming year. We will be having elections for Chair, Co-Chair, Secretary and Treasurer, please reach out to Nikki or Tash if you are interested in any of these roles or would like to know more about the parent group. Email below or find us by the school fence, senior side. You don't need to take on a role, if you are interested in helping in any way please come along and see what we are all about.

In maths Whānau Wai have been analysing data and graphing the results. The tamariki chose which type of graph they thought would be best to display the data - some tamariki had a go at a pie graph!

Room 9b had fun writing about something they did in the holidays and illustrated this using paint.

**Congratulations** to our students who received a certificate at assembly on Friday 18th February for:-

Room 2	Lachie	demonstrating Personal Excellence during physical education. You supported and encouraged your team member so they could be successful. Miharo!
