Matariki Festival

We need your help! Please call or visit the office to put your name down to help out - just an hour is all it takes! We look forward to seeing everyone on Saturday - the stretch tents will keep us dry!

Magic stars shining so bright on Matariki night.

Although we are sleepy and want to say good night we get up to see the stars tonight.

Tight covers soft bed while you rest your head after the dinner you were fed.

A cat prowls through the woods looking at the stars.

Right in the middle of the sky the stars glow brightly.

Inside the darkness the stars shine bright among their sisters.

Know that there are 9 stars that reappear this time.

In the sky stars shine bright.

Student-led Conferences

Student Led Conferences are an opportunity for your child to talk about what they have been learning and what they are proud of. If you feel there is a need for a more lengthy discussion with your child's teacher, you will need to make another appointment for another day, however, there may be a brief opportunity to have a quiet chat if you feel it is required. Interviews are 15 minutes and are to be held on Tuesday 5 July from 3.15 to 7.30pm and Wednesday 6 July from 3.15 to 5.45pm.

Bookings can be made in the SkoolLoop app. by clicking on the Interviews icon. If you are booking for more than one child please leave a slot between interviews to ensure you have time to move between classes. If you are unable to access the SkoolLoop app. please call the office and they will book you in
