(Cool! Choice!)

We have ended the term with two fabulous events – the beach clean-up last Friday and Bayswater's Got Talent finals today. Most of this week's newsletter will consist of photos of both. Thank you so much to all the photographers out there who happily share their pictures with me!

Beach Clean Up

This was a huge organisational feat – thank you to Dianne Cluett, and all the staff, for ensuring everyone knew where they were meant to go and what they were meant to do! We were overwhelmed by the number of parents and whanau who came along to help. It is hugely appreciated.

There are lots of additional photos of this event on the screen in the foyer. Please feel free to pop in and have a look!

BAYSWATER'S GOT TALENT

Bayswater's Got Talent

Yet again, we were stunned and amazed by the sheer variety of talent on show. The standard was really high and Colin Moy, Irene and I had a very hard job to pick first, second and third. I think it would be fair to say that every child who performed in the hall in front of all their peers, staff and whānau was a winner. All the fabulous finalists are pictured above.

After much deliberation, the judges came to a decision! In third place was Lily Pinero who sang the old Leonard Cohen classic, 'Hallelujah', bringing several members of staff to tears! In second place was Ruby Shanahan with a dance she choreographed herself, to 'All We Know'. In first place were Anne-Marie Veikune and Georgia Karanui with a duet of Bic Runga's, 'Something Good'.

Well done to everyone who participated from the early stages, right through to the final. Special congratulations to our worthy winners!

Learning Pathways Communication of Learning

As well as all the excitement of the two special events, the children's learning went on as usual and is culminating this week in communications of learning, where children share what they have found out with an audience. I was delighted to be invited along to Whānau Puna's 'family tree' event this morning. The children had all made a link in the chain to represent themselves and after sharing their i-movies with each other, they went outside to decorate their 'family tree'.

Whānau Wai spent much of today practising presenting their google slide shows about themselves and their families. Tomorrow they will be sharing these with the whole syndicate.

Changes to Lunches Next term

From next term, children will be allowed only plain water and / or plain milk to drink at school. This is in line with advice from the Ministry of Education and Ministry of Health.

"Sugary drinks are one of the most significant causes of poor oral health and contribute to childhood obesity and Type 2 diabetes. Sugary drink consumption is associated with problem behaviours, and poor diet and nutrition are associated with lower academic achievement."

Children will be reminded of this new rule and will also have the reasons explained to them. If you could ensure that your child brings only water to school from now on, it would be very helpful. Don't forget that free, chilled milk is also available (from Fonterra Milk in Schools) and all of the school's water fountains deliver delicious filtered water (filters are changed regularly). If children inadvertently bring other drinks to school, they will be asked to put them away and save them until they go home.

Happy Easter

Whatever your plans this Easter holidays, I hope you have a safe, happy and relaxing time. We look forward to seeing everyone back at school on Monday 1st May.

Mothers' Month in May!

During May every Wednesday evening in the hall will be something for Mums and Grandmothers to do based around health, fitness and taking care of ourselves. Come and learn something new, meet some other Wahine in your community or just have a chance to spend some time with the Wahine you already know.

Class will start at 7.30 and cost only \$10. All proceeds will go to Year 5/6 camp.

Wednesday 10th May - Yoga with Ines

Wednesday 24th May - Dance/Fitness with Genna.

Wednesday 17th May - Pilates with Megan

Wednesday 31st May - Celebration night!

Variety of stalls, tea/coffee/dessert, On-Site Massage.

Any enquiries please contact Janelle. Email janelle.unwind@gmail.com or call 021 625 454. Nau Mai, Haere Mai.

Happy Birthday to...

Tinaiah Russell (7), Isaiah Blanchette-Matthews (9) and to all other students turning another year older during the school holidays. We hope you all have the best of days celebrating with your family and friends!

Gardening Club

During lunch time, the gardening club work with parents (Susanne Bradley, Rachel Kohaly, Angela Reddecliffe, Tali Rose, Sara Zwart) to help weed 'The Ridge'.

The children want to help our environment by stopping the weeds from killing the plants.

The children's comments

"I like gardening at school because we rake out the weeds and this helps the plants grow." Stella Bradley

"We also find lots of little bugs like ladybugs, beetles, grasshoppers, and bees." Charlie Booker

"If we weed, other plants can be on The Ridge". Sam Schneebei

"When we pulled up a huge weed with long roots, bark flicked onto our faces. We laughed and shook our heads." Stella Bradley

Wai Care

Some of the senior enviro students recently visited the Achilles reserve to monitor the stream. The children used scientific equipment to test for water purity. While they were there, true to Bayswater style, the students picked up the rubbish. We are very grateful to Julie Richardson (a parent of an ex pupil Jamie Cowley) who will take the children each month to enable regular monitoring of the stream.

The Yummy Apples School Promotion officially starts at the beginning of Term 2

Thank you to everyone that has still been collecting stickers and barcodes throughout the summer months.

To ensure our school gets a share of the \$200,000 free DG Sports gear, all you have to do is collect the Yummy cut-out labels from bags (each cut-out label is worth 10 stickers) and individual Yummy apple stickers. The more stickers we collect the more sports gear we get so please start collecting your Yummy cut-out labels and stickers now!

This year the promotion has a collection sheet specifically for Ambrosia, Sweet Tango and Lemonade Apples. Each sticker is worth double points. Collection sheets are held at the office.

You can pick up a collection sheet from the office or you can print a copy off the Parent Group Facebook Page.

Last year we were rewarded with lots of great sports equipment, lets see if we can do the same this year.
