## Nau mai, haere mai!

### School Swimming Pool

We hope to have the school pool open soon. There have been some issues in getting it sorted due to us not having someone onsite who has completed the required training - the pool has to be tested three times a day by a qualified person (we are still on the hunt for a permanent caretaker)! We expect to be able to open the pool for reduced hours thus only having to pay someone to do the testing for a shorter period of time.

**How your school donation can help** - Maintaining a school pool is very expensive and luckily the Bayswater Board has taken the option over the years to keep it open while many schools have closed their pools due to the cost. The money to do this is funded from your donations! There are some repairs to be made before the pool can reopen in 2023 so it would be great to see those donations coming in.

### Spellathon - Fundraising for LED lighting in the Sir Peter Blake hall

Money is to be in by Wednesday 16 November. There are prizes for the top fundraisers, as well as a chance to win a spot prize but only for those who get their money in on time! Prizes will be presented at Friday hui.

### Open morning

On Tuesday 8 November we held our first open morning for prospective whānau. Both the choir and kapa haka performed and the Enviro group gave a presentation. One of the things I love about Bayswater is seeing all the children having an opportunity to participate: one of the visiting parents commented on how wonderful it was to see all children included. A group of ambassadors ranging in age from 5 to 11 years had been chosen to show everyone around and they did a fabulous job - they couldn't stop them talking! Our visitors were impressed at how articulate they were and how much they enjoyed talking about their school! Thank you to the Whānau Group for providing the morning tea and sharing your perspective, and thank you Irene for helping with the morning tea - they came back for seconds of your cuppas!

Have you been in lately to visit the rooms? You are welcome to pop in and check out all the classrooms this week before and after school.

### Māori Achievement Collaborative (MAC) Conference

Last week I, along with Claire and Tahlea attended the MAC conference in Manukau along with approx. 350 other school leaders from around Aotearoa New Zealand.

MAC is committed to the goal of Māori educational success as Māori and has worked to create positive change that is sustainable and enduring. There were some very well known and respected speakers who shared both their experiences and their expectations for change in regards to Māori learners. We also heard from the Associate Minister of Education: Hon Jan Tinetti and Associate Minister of Education (Māori Education): Hon Kelvin Davis.

## Installing of the signs on Te Korowai o Papatūanuku - the cloak of Papatuanuku

The first trees were planted on the Roberts Avenue bank in 2018/19. We've been watching them grow and looking forward to when we can mow under them! Last Thursday a group got together to install the signs that were created by our tamariki along with artist Natanahira Pona. The stands were made for us by former pupil John Cambridge. Thank you Lance and Zane, and thank you Dianne who returned to help and was there from the start in the planning and creation of this area. A couple of ex-pupils arrived to help and were proud to point out the trees they had planted. Thank you to whānau who came to help. The signs look great!

## Clothing and Wheel's Share

It was great once again seeing our Bayswater School community come together to share good, used items of clothing, and some wheels. It was also good to see others from different schools pop in and pick some things up for their families. Thank you to Anna Von Roy and her team for planning and putting together the share.

## Remember that November

**129 years ago on 28 November 1893 New Zealand women voted for the first time**

Women achieved the franchise when legislation was passed on 19 September and, with less than 10 weeks to enrol to vote, 84% of eligible women did so. Of those enrolled, 82% did so. Come and celebrate that amazing achievement at the place where it happened in Devonport. Music, speakers, memories – all welcome
