

Newsletter / Kawerongo 3 * 14 March 2023

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Me whakaute tātou i ētahi atu - We should respect others

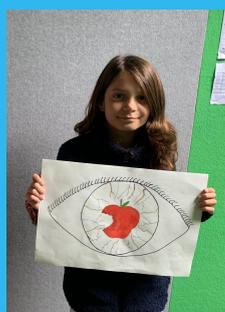

Whānau Kokoru have been learning about some of the figurative language features they can use in their writing.

Idiom - a phrase or expression that typically presents a figurative, non-literal meaning attached to the phrase.

An idiom is an example of figurative language we can use to make our writing more interesting for the reader, to elicit emotion and to help the reader form an image in their head.

"...burning the candle at both ends"

"...the apple of my eye"

It was great to see our parents and caregivers at our Whānau Information Evening. If you were unable to attend or want to look back at the presentations you will find them on the website in the next couple of days. The focus this year was on the eight curriculum areas and what they look like at Bayswater School. This knowledge will help you to more effectively

complete the Community Consultation coming out soon. Whānau voice is an important part of ensuring teaching and learning is authentic and relevant. Whilst you will be able to complete the survey online or on paper we will also hold a couple of hui during which you will have an opportunity to share your thoughts and ideas through discussion. Look out for the dates coming soon.

I want to thank those of you who have shown support for our teachers as they advocate and fight for not just their own work conditions but also for better resourcing of schools particularly staffing levels and support for our tamariki with additional needs. At Bayswater School we strive for equitable opportunities for all our tamariki and this requires both staff and funds.

Ngā mihi Marianne

Leadership Opportunities

We see leadership qualities in all our tamariki and offer many opportunities for them to demonstrate leadership or to learn more about being a positive role model - a key feature of being a good leader.

Recently a group of Year 6 tamariki attended the GRIP Leadership Conference. They learnt about the qualities of a good leader, had opportunities to interact with young leaders from schools as far away as Northland and some even had their moment on stage! See photos below.
