## Haere Mai and Welcome!

Welcome back all of our returning families to the new school term. A warm welcome to the children who are starting school this term – they will be in Room 7 with Claire. I would also like to introduce Sybelle Reiser who is a teaching intern from Germany. Sybelle will be working alongside Norah Wilson and the children of Room 10 this term.

## Bayswater School at the Devonport ANZAC Day Parade

Thank you to all of those children and whānau who attended the ANZAC Day parade in Devonport. It was a beautiful day and it was lovely to see so many of our younger children joining in. The picture shows Charlie Booker and Maliah Merckens, who laid the ANZAC wreath on behalf of our school.

## This Term's Learning

In Health and PE this term, the children will be focusing on cross-country running. I know that Whānau Wai and Kokoru (middle and senior school) always welcome help with cross-country training so look out for details in the syndicate newsletters. For all of the children, it is important that appropriate clothing and shoes are worn on running days – it is hard to do your best when you are trying to run in gum boots!

In Learning Pathways, the children will continue to explore their own family histories and the diversity we have in our school, this term through the medium of visual art. They will be learning about various different artistic techniques and using these to produce artworks reflecting their learning. Some of the pieces will be exhibited later in the year at a joint Peninsula schools art show at the Lake House. The show will include work from all school in the Kahui Ako or Community of Learning (Bayswater, Takapuna Grammar, Belmont Intermediate, Belmont Primary, Vauxhall, Devonport and Stanley Bay).

The fourth week of term (from 22<sup>nd</sup> May) is Pink Shirt Week, an international week when there is a focus on bullying – prevention, what to do if it happens to you and what to do if you are aware of it happening to someone else. During the last three weeks of term (from 19<sup>th</sup> June) we will be running Keeping Ourselves Safe in conjunction with the Police Service. This teaches children a range of safety skills that they can use when interacting with others.

There will be more information about this programme sent home in the coming weeks.

## Whānau Mārama Parenting

The Whānau Mārama Parenting course will be running in the school hall on Thursdays from the 25<sup>th</sup> May to 15<sup>th</sup> June from 9:30 to 10:30am. Tamati, from Whānau Mārama, will be talking about the course in assembly this Friday so why not come along to hear more about it? The course will be offered free of charge and sounds like it will be extremely useful. We have made it for 9:30 so that participants can drop their children to class and pop to the staffroom for a coffee before starting. Enrolments will be available from Irene or Fiona at the office.

## Matariki 2017

After two successful years (the hāngi in 2015 and the boil-up last year) we are keen to celebrate Matariki again this year. We are thinking of having another hāngi but, as always, will need lots of help from all of you with skills and knowledge to share. This will be organised for the end of Pipiri (June) around week 8 or 9. More information to follow shortly.

We are excited to be developing plans to start regular harakeke weaving at school. Local weaver, Jude Hoani, will be joining us at assembly on Friday and will then start making pāro (bowls) for Matariki. She would be delighted to be joined by any whānau interested in helping. No experience of weaving is necessary - this will be a fantastic opportunity to develop new skills! Experienced weavers are also very welcome!

### **The Yummy Apples School Promotion officially starts at the beginning of Term 2**

Thank you to everyone that has still been collecting stickers and barcodes throughout the summer months.

To ensure our school gets a share of the \$200,000 free DG Sports gear, all you have to do is collect the Yummy cut-out labels from bags (each cut-out label is worth 10 stickers) and individual Yummy apple stickers. The more stickers we collect the more sports gear we get so please start collecting your Yummy cut-out labels and stickers now!

This year the promotion has a collection sheet specifically for Ambrosia, Sweet Tango and Lemonade Apples. Each sticker is worth double points. Collection sheets are held at the office.

You can pick up a collection sheet from the office or you can print a copy off the Parent Group Facebook Page.

Last year we were rewarded with lots of great sports equipment, lets see if we can do the same this year.

Just a wee reminder our free delivery period expires on Sunday 7th May at midnight. All photo orders made before this date will be delivered to Bayswater School free of charge. Orders made after this deadline will be sent to your home address at your cost.

## Results of the Belmont Wellbeing Survey - <https://www.facebook.com/events/1711668545527030/>

"An event to report back on the results of the Bayswater and Belmont Community Wellbeing Survey conducted in November 2016. We're keen to hear what local people think of what's been said and their ideas for action. A total of 291 eligible surveys were completed, a figure that represents about 6.5% of the local adult population.

It's a casual event, please swing by for as short or as long a time as you'd like. Children of course most welcome. We will provide some pizzas to eat.

The survey was conducted to inform future activities supported by Shore to Thrive. Data focuses on local people's thoughts about their experiences of living in Bayswater & Belmont with regard to community & personal wellbeing.

Shore to Thrive is a partnership project between Auckland North Community and Development & the Takapuna Methodist Church supporting community connections & strengthening relationships to enhance the lives of local people. It's all about developing strengths based & community led approaches to improve the wellbeing of whanau & children in North Shore Communities.
