

Newsletter / Kawerongo 5 * 3 May 2023

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Me whakaute tātou i ētahi atu - We should respect others

Meet our School Councillors for 2023!

Leadership at Bayswater School means giving our tamariki an opportunity to have a meaningful influence over what happens to them and around them.

The School Council is a group of students who have been elected by their peers. Their role is to give feedback and opinions in relation to school events, issues and process; and to feed-back the views of their classmates to the Council and the Principal. They meet once a week with Marianne.

Community Consultation

Last week you will have received a letter with details on how to 'have your say' through our community consultation. This will guide our school strategic plan for the next three years. You can have your say in a range of ways including online, on paper (pick up at the office) or at an afternoon hui.
