

Newsletter / Kawerongo 5 * 9 April 2024

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Kiwaha - whakaute i te waahi whaiaro - respect personal space

Term One Learning Adventures

Our theme for this year is *"This changed the world..."* In term one the focus was on the technology curriculum. Look out for the term summary in your inbox soon.

Safety in science

Room 4 was treated to a lesson with science teacher (and board member) Heather. The focus was on safety in science. She heard some great thinking and thinks they nailed the safety focus!

Safe helmet wearing

The school councillors would like to remind everyone to keep safe by wearing their helmets correctly.

Tree pruning and removal

You will see in the holidays the removal and/or trimming of some of our trees.

Unfortunately there are a couple on the field that have been deemed more dead than alive and need to be removed in the interests of safety. A third tree, outside the staffroom is being removed as it is causing damage to and the lifting of the pathway. The large pinoaks in the junior playground will be trimmed away from the buildings.

Mulch

There is a large pile of mulch at the back of the hall, if you have time we would appreciate some help in putting it around the trees on the Roberts Ave bank area. Feel free to bring a wheelbarrow or a bucket anytime over the holidays!

I hope you all have a fabulous holiday, I'm off to a Leadership Conference for the first week - and that the sunshine continues!

Guitar and Ukulele Lessons at Bayswater School

Musiqhub offers Guitar and Ukulele tuition to students at Bayswater School with experienced tutor Dave Gatman.

Students learn a range of traditional and contemporary styled songs and techniques where they play together as a group and take turns to play to the group as individuals. This format creates a relaxed and fun environment for students to learn in and is popular in schools around the country.

The lessons are during school hours on Tuesdays and are available to students in Year 2 and older.

Dave has a few spaces for Term 2 lessons. If you are interested, please contact Dave on 021 222 1456 or email dave.gatman@musiqhub.co.nz.
