(house opening ceremony)

Kia Ora te Whānau!

Welcome back to the third school term to our returning families and welcome to Bayswater School all of our new families and children visiting from overseas.

This week's newsletter is mainly filled with all the exciting things which happened at the end of last term!

Season Share

We had another wonderful seasonal share with the community coming together to donate items no longer needed and pick up some 'new to me' bits and pieces. Many thanks to everyone who helped to make this possible – by donating pre-loved goods, helping to sort, staffing the share and making teas and coffees. A special thank you goes to Bridget Swan who organised the whole thing!

Musical Performances

Kaia Schneebeli and Ewan Wilson performed at the Peninsula Music Festival and Iona Mackenzie-Clark played at a concert at Ronald McDonald House Grafton Mews, in which the 14 performers raised \$631.30 for the charity.

One Hundred Days of School

Whānau Puna (the Junior School) celebrated 100 days of school.

Road Safety Update

Following on from the Bayswater Avenue Safety Meeting, children from Whānau Kokoru (the Senior School) all wrote submissions for the Auckland Transport Lake Road Consultation. Here they are before posting their letters at the end of last term. This was a great example of teachers Linda and Amy using an authentic purpose to inspire the children's writing.

Don't forget, that as part of our own effort to improve the safety of our children, they are now required to wear a helmet when using any wheels to and from school – including bikes, skateboards and scooters. One family has kindly donated two spare helmets so if your child does not yet have a helmet, feel free to pop in to my office to see if one of them fits.

Raeburn House Workshop

In response to the growing number of children and youth experiencing anxiety, Raeburn House is offering a course, running over two sessions, for parents of children who are experiencing this issue. The course is on Monday 21 August and Monday 28 August from 6pm to 8.30pm at the Norman King Building in Northcote Central (just at the back of the Northcote Library – enter via the Countdown Carpark). There is a small charge for the five hours of contact time (\$50 single, \$70 couple).

Term 3 - Kids Yoga at Bayswater School

Many thanks to Purnima for offering to run children's yoga classes with all proceeds being donated towards the senior children's camp fund.

Kids are born Yogis! They have pure hearts, immense joy and bundles of energy. Yoga teaches children to harness these traits and to connect with their breath, express themselves and gain confidence. Kids Yoga classes start at Bayswater School on Monday 31st July 2017 at 3:25pm. Classes last 45 minutes and will take place every Monday for five weeks in Room 4B. Advance payment for five weeks is \$50 – only 10 spaces! All money is going towards the School Camp fund. Contact Purnima on 021 020 00016 or Janelle on 021 625 454. If your child needs a yoga mat please mention when booking.

Namaste 🙏

We hope you both have loads of fun celebrating your birthday with family and friends.

A warm Bayswater welcome to new entrants Tilon Malmgren, Jonathan Dipple, Jayden Hewitt, Lola Robertson, Lily Merkens, Clae Schmidhalter-Ward and Sky Byers who joined us in room 7 and new students Aurora Grace-Davis in room 3 and Nevaeh Karanui Naiki in room 4.

Recycle your Old Mobile Phone

Send your old mobile phones along to school, so they can be recycled. A box is in the main foyer to collect the phones.

Scheme recycling agent Swapkit New Zealand collects and sorts the phones into those which can be re-used and those which are end-of-life. Reusable phones are sold by tender overseas while end-of-life phones are deconstructed, commoditised and their components used to create other products.

"Sustainable Coastlines is proud to partner with this fantastic scheme which provides critical funding for the delivery of the Love Your Water programme. Together through this new partnership we will reduce waste sent to landfills, save valuable materials and energy, and help to look after New Zealand's waterways, says Sustainable Coastlines Co-Founder and CEO, Sam Judd.

Mortgage Funding

Is your interest rate as low as it could be?
Do you want to save on fees and charges?
Do you want a big cashback incentive?

Disclaimer:

This offer has the following conditions:

1. I will pay the school part of my commission, up to \$2,500.00.
2. My commission is paid by the Bank you select, either ANZ, BNZ, Westpac, ASB or any other lender.
3. The payment to the School, will require the client taking up an offer to draw down a residential mortgage. A larger payment (up to \$2,500) will be made to the school if that person is living in their own home (i.e.: owner occupied) and not an investment property. Additionally, the size of the mortgage being taken greatly influences the amount I can pay to the school.
4. I have a clawback arrangement with all banks and lenders and therefore the commission paid to the school will vary depending on what fixed terms clients decide.
5. ANZ and ASB have a higher up-front commission payment structure.
6. I will not discuss the client's confidential information with the school and I have a duty of care as a Registered Financial Adviser, to you the client.
