This week's phrase:

E oma!

(Run!)

Kia Ora te Whānau!

Many thanks to everyone who made the Duathlon such a stunning success. We will let everyone know how much was raised as soon as we have the final tally! The Parent Group really put on a fantastic day. Below are the thoughts of some of our senior students who took part:

Whānau Kokoru thoughts on Duathlon:

The duathlon was a great success, there was delicious food, cool spot prizes and a silent auction with so many great items to bid on. The running and biking was fun but tiring. It was great when my friends were cheering me on. I felt extra motivated even though I was dying of thirst and had the stitch about ten steps in. After running, I was glad to start over taking on the biking part of the course. I have to say that the biking was quite relaxing and refreshing. That's what I enjoyed the most. Finally I ran across the finish line and it was great to be finally done.

Sophie Bridge

Our duathlon was a chance for kids (5-11) to burn their hearts out, and just have some fun. If you thought the action was brutal, it's really the start line! Just waiting for the signal is nerve-wracking. I was lucky that I took the biking role, and left Maurice to suffer the start line. Also, my partner would be in terrible hands as I was suffering leg cramps! What really calmed me down was a nice sausage in bread and a cupcake (that my Mum had made). Food wins over everything!

Kurtis Mawson

Standing on the podium, looking at the crowd, I felt proud and filled with joy. As I woke up on the day of the Duathlon I remembered that today was the day! My nerves started to kick but I was looking forward to doing the running and biking. I ran to the start line to try and get to the front of this massive bunch of runners, then the horn went and I started running. It took longer than I thought but sooner or later, I was running down the hill to the bikes. As I hopped on my bike and took off, I started feeling refreshed and my body was cooling down. I had a great day thanks to all the amazing people who made it happen.

On Sunday 6th November, Bayswater kids duathlon took place. It was a great success and we raised a lot of money. It was a daunting race to complete but all the participants crossed the finish line. Thank you to all the sponsors and adults that helped make the event possible. We hope that everyone enjoyed themselves and are looking forward to the one next year.

Bayswater Kids Duathlon - A message from the Parent Group

Well done to all the children who participated in the Duathlon on Sunday! You all did exceptionally well and your welcoming attitudes to visitors to our school was commented on, you did yourselves proud. The online fundraising has been going really well and will stay open until 28th November, so keep on going until then, any manual offline sponsorship can be taken to the office any time.

A massive THANK YOU to our lovely Bayswater families and the fabulous community we live in for making today's Duathlon such an outstanding success.

So many people and so many hours went into ensuring it all ran smoothly, so from the bottom of our hearts - thank you to the organisers, the people running the stalls, the set up and clean up teams, the teachers and staff at Bayswater School, Eliza, Lions, Sponsors and everyone else who helped in so many ways ... you guys ROCK! The look of enjoyment and accomplishment on the kid's faces as they crossed the finish line made it all worth it.

We had nearly 300 kids from at least 27 different schools, spanning from Howick to Whangaparua participating in the Duathlon. We should be very proud that our little school manages to pull this all together year after year, and has done so for 21 years now.
