Onepoto Festival

Last Friday our Kapa Haka group performed at the Onepoto Cultural Festival. This really is the highlight of the year for local primary and intermediate kapa haka groups – with a large audience and big stages! We were delighted to be performing on the outdoor stage this year, although this has its challenges! Performing outside, the children have to have real stage presence to ensure they are heard and listened to! They did a great job and can be very proud of themselves

As always, thanks to all the whānau who came along to support and to Cara, Sasha and Allison.

Yummy Apple Stickers

This year, as always, we have had a bumper delivery of new playground equipment courtesy of Yummy Apples. A big thank you to Amanda Hoskings for organising the sticker collection. Pictured are some of the lovely new things now available for the children to play with.

Meet your Board of Trustees' Mid Term Election Candidates

Election Day – Friday 1st December
Voting Closes at 12 noon

Heather Goodey

My partner, Alistair, and I have been living in Bayswater for over 14 years. We have three wonderful daughters.

We chose Bayswater School for its strong sense of community and have enjoyed feeling like part of the "Bayswater family" for nearly 9 years, since our eldest daughter Skye started school. Currently our youngest two daughters Scarlett (Rm 4) and Abi (Rm 6) are at Bayswater.

My background is in Science, Education and Equity. I am currently working at Takapuna Grammar School as a teacher and I am fortunate to see 'Bayswater kids' at various stages of their educational journey.

I feel privileged to have served on the board for the past 18 months and represent the best interests of all the children attending our school and their journey as lifelong learners.

Leisa Rossi

Tēnā koutou, my name is Leisa Rossi and next year, my daughter Nicole, will be attending Bayswater School. Our family live on the Bayswater Peninsula and together with my husband, we have recently opened Peninsula Kids, a local childcare centre providing quality childcare to local families. I care deeply about the start children get in life and understand that a successful start in education can have a positive impact on the rest of a child's life. Conversely, an unsuccessful start in education can have a negative impact.

Things I care about most are empowering children, ensuring the environment supports the development of their self-belief and self-esteem, and that they develop the skills to interact, work and play with others in a cooperative and fun way. Once these things are in place children are able to reach their full potential. This fits well with Bayswater School's focus on "the development of resilience – helping children to be confident, empowered learners who are motivated, challenge themselves and have a strongly developed belief in their own capabilities, persevering and recovering quickly from set-backs."

I have over 20 years' experience in Education, Learning and Development spanning the Corporate, Tertiary, Secondary and now the early childhood education sector. In the past 10 years I have held management roles with a variety of responsibilities including Financial Management, Property Management and ensuring Government strategy and expected outcomes for learners are achieved. For me, representation on Bayswater School Board is an opportunity to contribute to the local community and further influence the start children get in life.

Adrian St John

My partner Anne and I have 3 kids, 2 of which go to Bayswater School and a third that really wants to (she's only two). We have lived in the Bayswater Community for the last 3 years and we love it here. Since moving to the Bayswater area we have met many great people and can see the unique opportunity it provides for our kids.

I'm always keen to be part of my kids education, and you will often find me putting up my hand to be involved – currently coaching the Bayswater touch team (also been lucky enough to be involved with the Rippa rugby and the soccer team).

Success to me looks like a school that has a strong vision that equips our children with skills they can use beyond the classroom. I'm a big advocate for stimulating debate, challenging the norm, sustainable solutions and thinking outside the box.

I've held commercial management positions in many major companies influencing business strategy and maximising commercial outcomes. Although my core experience is in financial management, I believe I have a broad and diverse skill set that will enable me to provide a meaningful contribution to the board and future of the school.

Christian Wehrle

Kia Ora,

My name is Christian Wehrle and I am keen to support and contribute to the growth and development of our tamariki at Bayswater School. I love the diversity of people that attend Bayswater and the variation in activities and opportunities that this brings to the pupils and the wider community.

I grew up on a dairy farm and attended school in Hobbiton (aka: Matamata). I have a daughter in her second year at Bayswater and she has a keen interest in reading, writing, the arts, and loves the friends she has made. My son will be attending once he is ready to jump into school life (if he doesn't become a qualified builder first as construction is one of his current passions). My wife is an active supporter of Bayswater School with a focus on environmental preservation, the arts and play based opportunities for learning.

I am an IT consultant for Deloitte and have experience working with people at all levels of business up to the executive level. Collaboration, empowerment, and self-worth play a strong part in my working life and I see the positive results these attributes create in the people that I work with. Therefore, I believe these characteristics are important to foster in our children as they develop through their educational journey.

I hope this provides a bit of background in regards to my values and what I can bring to the table if I am elected to the board of trustees.

Kind Regards
Christian Wehrle

Enviro News

Dear Whanau,

Bayswater School has been an Enviroschool since 2003 and Education for Sustainability has gathered in strength over the past ten years to incorporate whole school learning and community involvement.

In 2011 we received the Green-Gold reward and are currently going through a whole school reflection process to achieve a Beyond Green-Gold status.

The senior enviro students would like to know whanau thoughts and ideas about where we are now and what we want to achieve in the future.

A hui will be held in Room 2 on Monday 27th November at 9.00am. We look forward to your participation.

You may wish to look at our Care Code in the foyer, created in 2006 and [Our School Vision](#) and [Proud Enviro School](#) sections on the school website.

Needed - Empty Baby Food Jars

We are looking for empty baby food jars to use as paint pots for the fence mural project. If you have any available can you please drop them into the school office.
Many Thanks

Duathlon Fundraising

All fundraising from the Duathlon is due in tomorrow, Wednesday 22nd November. If you have been collecting cash sponsorship, please hand your fundraising in tomorrow. Givealittle fundraising will close off automatically. We have cool prizes for the kids who collected the most sponsorship in their syndicate, a class party for the class who collects the most sponsorship overall (this will be an average of the whole class, so bigger classes don't have an advantage), AND we also have spot prizes that kids who have fundraised can win! Thanks everyone for your efforts! All money raised goes towards the new senior playground and awnings.

Devonport Christmas Parade

We're looking for children to represent Bayswater School in the Devonport Lion's Santa Parade on Sunday 3rd December at 11am. Following the parade is the Christmas Festival and Dancing in the Park. Siblings of any age are welcome. We have some elves costumes for the children to wear, or they can wear their own Christmas themed costume. It is a real highlight for children to be part of the parade, so if your child/children are able to participate please let Shelley Davies know (shelley.davies@rocketmail.com).

Helpers' Morning Tea – Thursday 14th December at 10.45am

To all parents, whānau and community members who help in so many ways... Please come to our helpers' morning tea on **Thursday 14th December** from 10:45am in the staff room. We would like to show you how much we appreciate all that you do for us. **RSVP** to Fiona, Irene or Lindsay. Email: admin@bayswater.school.nz or call 445-6226.
